The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

TOPIC RULES 😊

- Each student is allowed to submit **one topics** for proof of concept (POC) testing by coaches.
- If a student submits more than one topics, the one most **"specific"** topics submitted will be considered for POC testing.
- This approach ensures that more students have the opportunity to receive feedback on their topics
- As coaches, our goal is to develop your skills, enhancing your **comfort and confidence** in navigating the proof of concept process.

Mary Ascher

Finally! I think I have POC on the topic of "Menopause." Can you please check it and verify before I go further? Thanks.

Lisa Tancredi

Hello, Beautiful Coaches!

Would you test out POC for "vagus nerve and energy healing tools"? And what would be the difference between this topic and "vagus nerve and energy healing"?

Would they be considered the similar enough to be the same? Or would they be two different completely different topics since one focuses on tools? Thank you! - Lisa

Paul Thompson

TIA for your help. I have been trying to get POC on "herbs for tea" but every time Amazon goes from books to foods. Can you try it for me, please.

For Module 2 To-Do-List:

- 1) Is there a video that guides us in accomplishing what is required in this list? If so, where can I find this guidance/video to watch to do what I need to do to complete Module 2 To-Do list tasks?
- 2) Is there a video that shows us how to Download DS Amazon Quick View and how to use it?
- 3) The 3rd item on the to-do list is to, "Make a copy of the topic research sheet." Where do I get the "topic research sheet" that I am required to make a copy of?
- 4) The 4th item on the To-Do List states, "Choose any bestsellers list that you'd like and extract until you have about 20 or so book topics." Is there guidance on how to accomplish this task? If so, where can I find a video that I can follow along to show me how to, "Choose a bestsellers list that I can extract until I have about 20 or so book topics"

The same applies to the rest of the items in the To-Do-List for this Module 2.

I like to watch videos and follow along. Where can I get the videos for completing the tasks assigned in Module 2 To-Do-List? Please help. Thank you

Benedette Nwoye-Okorie

I am aware of your advice on choosing topics from certain niche like religions, but I have deep desire to write a book on religion. My problem is I am not able to get proof of concept. Can I still go ahead with the topic I have chosen without POC?

Jo Mardaga

Hello coaches,

would you please check if the topic I've found actually qualifies for POC

i think it is okay but i have a little doubt about 1 book, whether it is really about the same topic.

TOPIC for POC: ' learning to manage personal finance for young adults'

It wasn't easy to find something, this is a subject I know absolutely nothing about so it's kind of a grim feeling whether I'm actually going to be able to write a book about it.

It's my first 30k book

I have published my 7DPC but still haven't received it after 14 days, I asked the question in the chat but haven't received a reply yet.

I'm not going to be able to attend the first half of the Q&A Call myself but really hope you guys can help me move forward with this because it did take some weeks and I would love to get started on it if this has any chance of success

Thanks a lot!
