FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

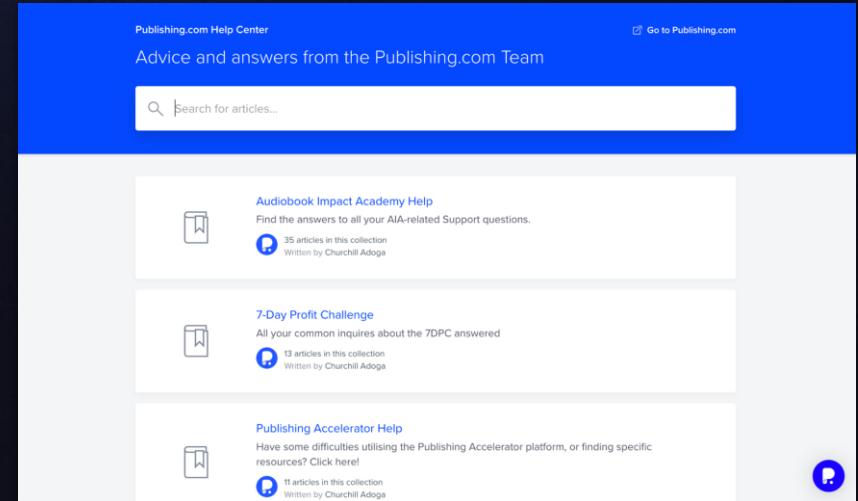

Most Frequently Asked Q&A Questions:

I have chosen a book topic, next I heard I have to connect with coach for approval of the topic. When I went to the publishing website, I could not locate the location of the scheduling. Please advise.

Louisa

What will the relationship be with the one one one coach? I didn't feel any resonance with the person I spoke with. Maybe it will improve next call. But what if it does not?

David

I have an idea for a book that involves python. Have you found that to be successful as an audio book. Python is a computer language and Im curious to know if its been successful outside of a print format. It passes the POC but that is my one concern

Russ

After creating a facebook page for my book using my penn name in preperation for the review process. They (facebook / meta) sent me a message saying that my account has been band for violating their terms of service and will be deleted. This goes for my personal account as well.

So, what to, what to do???

Also, for some reason this system will not allow me to enter the email I signed up with which is russjackson3@yahoo.com

Andrew C

What is a 1st review page and a second review page? After the Quality Assurance Check Coach recommended adding them to my manuscript to optimize my book. 1 review page halfway through the manuscript and the second one to point to my book using a QR code or genius link to go to the Amazon book listing. Please elaborate what is the purpose and the meaning of this Coach Karmanjot Hajrah suggested this

Tina

I have written about 15,000 words of my book but don't think I'll be able to do 30,000. Should I put out a shorter book or hire a ghost writer to make it longer? I want all the info I've gathered included in the book. Do ghost writers work with partial books?
