The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

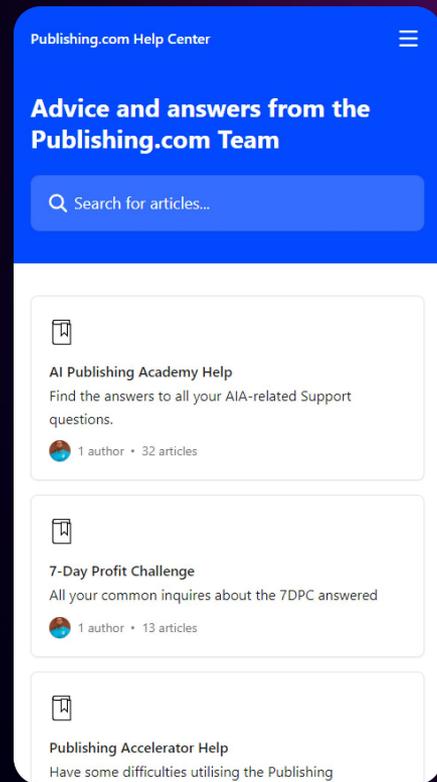

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hello,

If possible, can this question be addressed in the Sunday 12/22/24 Q&A call?

Below is the book title I want to present to my coach (Libby). I have incorporated key words, benefits, and countered some of the pain points from the customer research.

Please let me know what needs to be changed, I want the best customer magnet I can get!

Book Title 1:

Herbal Remedies for Beginners: A Stress Free, Simple Guide to Safe Healing Herbs and Natural Medicine you can trust for Better Health and Wellness in Just Minutes a Day

Mike Keller

Can you tell me about formatting and how the manuscript has to be set up in terms of page breaks and such. I find every time I try to move it around, I lose a lot of work like superscripts and bold text that I then have to redo.

Cathrine Berg

Hi coaches, I am interested in emotional intelligence and would like to write a book on this topic. I have done some research via ChatGPT and there is a lot of useful information that comes to light.

It would be exciting to focus the topic on school and home environment.

I think I have found POC for emotional intelligence, BUT when I search further on the niche towards school and home environment, it does not seem to work with POC. If you can help me how I can proceed in this area, I would be very grateful.

Can you take a look at my revised cover? I took everything you all said and came up with this:

Hello, I am working on my manuscript and checking for plagiarism. Grammarly claims that 66% of my text has patterns that resemble AI text and says that if use generative AI I can cite it? I don't understand. Is it telling me to cite AI content?

Lily Liao

What topic should I start with?

Marina Hogan

Thank you for taking the time to give an opinion on my cover.

I'm super interested in writing a book about boosting/healing metabolism. Even the books that are not selling a lot have a BSR in the millions. What can I do in terms of having this topic fit the criteria?

Lynn

Are lead magnets useful? I noticed there was an old video on the topic but it isn't taught now.

I am trying to decided if I should use that to share additional information so I have names for my next book or is it better to share the information in the book and list it as a Bonus on the front cover? I would have to create a website if I do the lead magnet I think.
