The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

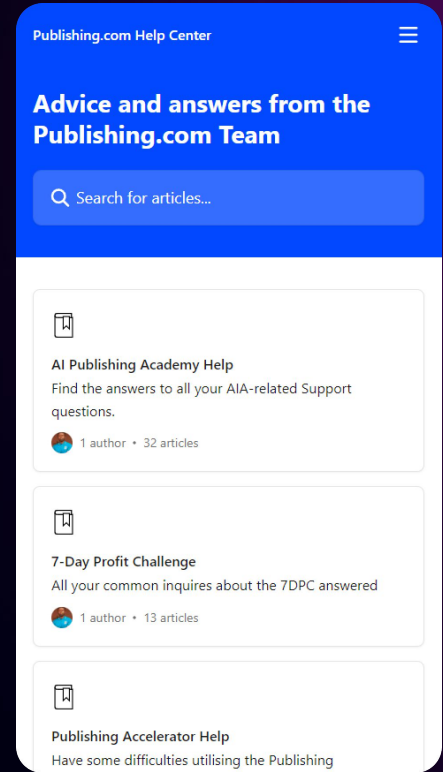

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi,

I'm finalizing my book title. Which of these two do you think works best?

Adulting Made Simple: Essential Life Skills for Young Adults

Everything you need to know to live independently, build wealth, strong relationships, and a dream career to live your best life!

Adulting Made Simple: Essential Life Skills for Young Adults

Everything you need to know to live independently, build wealth, strong relationships, a dream career, and live your best life!

"...to live your best life", or "and live your best life"?

If I'm Canadian, will you guys issue me tax documents for Canadian Tax reporting?

# Semaj Callaham Bey

If I already wrote a book can I use this software to edit my book then turn it to ebook and audiobook?

# Laura Topliss

I'm struggling to come up with a topic that meets POC despite re-wording topic areas several times. I think I've finally settled on a topic but I know some of the content will need to be written specifically to a UK audience where laws and taxes are different but I'm assuming the publishing.ai platform will write to a US audience? Would hate to waste a manuscript credit.

My outline has 23K words. How many words should an outline be and how does that translate over to the manuscript

# Hermann Brandi

Within a sea of information, how can I properly narrow down a subject to research?

# Martha DeLaine

Please give me some feedback on these two items. Thank you

Good day Coaches -

1. Once the manuscript is done, how are illustrations added?
2. Can I publish a book and make later changes to the cover, text or illustrations?

Thank you!

# Dustin Flahive

Hi Coaches! Few quick questions...

I just purchased Grammarly Pro - is this easy to learn? The walk-through lesson was very brief.

Can you please provide a template for hiring an editor on UpWork? I know I should include a brief description of the topic, and ask them to check for redundancy/flow. Is there anything else I should include?

Someone on Facebook mentioned a fairly new book review site that's similar to Pubby. I can't remember what it was called, but I think it started with a B. Does anyone know what it is and have you used it?

# Ana Kim

Hello, coaches. Can you review the cover of my very first book I have ever published?

# Jo-Anne Gannon

If including something, for example like a 14 day meal plan in our book, is Publishing a.i. able to generate that for us, do I need to create it myself, or if it is taken from the internet, is that plagiarism?

# Jo-Anne Gannon

I see a lot of books have links or a QR code for a bonus. Again, is that something I am able to do somehow with Publishing a.i.? Can links and apps be put in the book that allow the reader to access an exercise workout or recipes, as an example?

Re: Citing AI ghost author. Grammarly suggested a general citation for AI contributed content. The book is about a process my organization has used for over 30 years, with over 1,000 organizations. We developed a proprietary ChatGPT based AI which the book talks about. It was our proprietary AI that contributed content we input to her. (yes her, my business partner, a brilliant woman) developed the AI. Why should we have to cite this?
