FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.
We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

"Hello team! Please review my final three choices from 99 designs. Help me choose the best option. I still have time to adjust any part of the covers before I complete the request. Please also give me your feedback on the Title / subtitle verbiage. I have included the google doc link, and the 99 design link for the same three options just in case you wanted to go to the source. Thank you!
