FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi Coaches, please see updated title below. Do you think these pain points for POC Starting A Business would be okay? I could take off without breaking the bank at the end if the title is too long.

The below title is 191 characters.

Starting A Business Beginners Guide: Ensure Your Start-Up Stands Out From the Competition, Hires and Retains the Best Talent and Achieves Your Entrepreneurial Dream Without Breaking the Bank.

Thanks

Would 6,000 words be considered a 7 day challenge book?

Ashley

After watching the modules, it seems that you guys highly recommend The Urban Writers as a ghostwriting company. But when I read the posts in the AIA Facebook group, it seems as if I'm reading daily posts about how unhappy many people are with their ghostwriter at The Urban Writers. So I guess my question is - Do you still recommend The Urban Writers? Are there any other ghostwriting companies that you recommend?

I have not yet scheduled my orientation how do I do that?

If we are writing a book about mental health, are there any special considerations we should keep in mind? (assuming we have already determined the topic meets POC)

Hi, I haven't been able to progress in this opportunity because I'm unable to access KD Spy on Chromes Amazon page in incognito as instructed. No VPN is on. I've messaged, I've emailed Publishing.com support and messaging using the website. Still no resolution only the same instructions I've been following through with as everyone else has. I am able to log into KD Spy on their website so that's not the issue, however whenever on Amazon KD Spy asks for a username and password then tells me my password is incorrect. This is a huge investment for me will someone please help a lot of time has already been wasted. Thank you

Hi coaches,

I purchased mid journey and am kind of hooked now. I may have missed this in the lessons, but where do I keep track of the number of images I generate? I have the basic 200-image package.

Also, when creating coloring pages, whats a good prompt to ask mid-journey?

Evan

Hi Coaches,

Would love your feedback on the topic of outsourcing outlines. I'm looking at Publishing Services and TUW for my first book. I have a loose outline that is 60% complete to share and I would work collaboratively with either team. PS is more expensive... and a 15 day turn around time.

From your experience, which team provides a better service for the money?

Thanks!

Annalisa

Hi, my audiobook is nearly done. And it sounds great! I have a question about distribution and the CTA script the Twins provided. Will the script, with its directions on how to find the reivew link on Audible, also work for the other platforms ACX uses, like itunes and Amazon? And should I put an Audible logo on the artwork for the audiobook if it's also on other platforms? Thanks!

Patricia

I am writing a Canning Recipe Book and I am not using a ghost writer for obvious reasons. I am almost finished with the main part of the book. When I am ready with the remainder of the book, is there a particular font and type size that I must submit it in for publication? I want the book to be 8x11 when printed.

Hi, Can I have your feedback on my title: Personal Finance For Teens: Simplified guide to budget, save and invest your money to achieve financial independence, and graduate college debt free

Larry, in Citrus Heights

if a book publisher (like me) wants to make more info available, like forms or workbook or references to a book being published, printing URL in the book, and will have a PDF available online,...where is a reliable, long-term storage place to make it available

When gathering our early review team in the Meta Business Suite, where can we go to find the total number of leads that we have received?

Lynn

Hi, I started a book using the beta ai. The outline and content were great, and it had references. When I put a chapter through Grammarly for a plagiarism check it gave me more references, some not topic related. Should I add the ones that do apply? Also, I first got 1% plagiarism then 4% for the same chapter. Thank you!
