OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

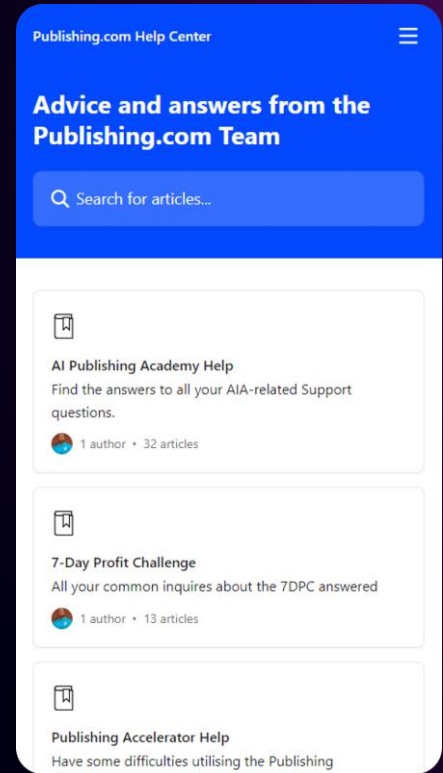

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Thought Of The Day

take a chance on yourself for once.

ignore society. ignore your friends.
ignore your parents. they want the
best for you, but most of the time,
they want what's best for them.

if you only do what others approve
of, you drastically limit your
potential in life.

TIP OF THE WEEK 

We are Publishers Not Writers!

Andrea C

How do you upload a video ad for your book on Amazon? Is it covered in the course?

Laura

Please give me your opinion on my book title--I have revised it a couple of times & hoping to get your opinion on it. Thank you!!

Title: The English Cottage Container Garden

Subtitle: Flowering Pots & Small Plots: How to easily cultivate a charming cottage garden and transform any small space into a blooming sanctuary

Thank you!!

Len Retamar

The manuscript from publishing.ai provided the "sources" but when I tried to convert them to APA, it did not have the author's name. Can you advise if I am doing this correctly and if I am doing it wrong, how can I fix this? Below are two samples of what I am getting along with the comment from ChatGPT. Thank you.

Sample 1:

Here are the APA references for the sources you provided:

Bea, R. G. (1976). Earthquake criteria for platforms in the Gulf of Alaska. All Days.
<https://doi.org/10.4043/2675-ms>

Chisel. (n.d.). The 10 commandments of successful team collaboration. Chisel Labs. Retrieved from <https://chisellabs.com/blog/a-guide-to-successful-team-collaboration/>

Len Retamar

For the second citation, I've listed the author as "Chisel," assuming it is the name of the organization or website responsible for the content, as no individual author was provided. Since no publication date was available, I used "n.d." to denote "no date," and "Retrieved from" to indicate where the document can be found online.

Sample 2:

Here is how you would reference the source in APA format:

Gyan 4 Help. (n.d.). 8 illustrations that will change your mindset and life. Retrieved from <https://gyan4help.in/web-stories/8-illustrations-that-will-change-your-mindset-and-life/>

Please note that if there is a publication or update date available on the webpage, it should be included in the citation. Since I don't have that information, I have used "n.d." to signify "no date."

kelly

for the Q&A call, booked on wed, fri, and sun, do i need to book Thursday again specifically for cover page design ? or it can also be covered in one of the days (wed, fri and sun) ?

kelly

after 6 months 1-1 coaching, is it on our own to write and publish the book? Are we independent by then? do we still get help from you all if i want to write more books?

Charlotte

Confused about the review process-it seems you need to get the reviews before you launch the book, but it since it has to be published in Amazon and you have to give time for the reviews, how does the timing on that work?

Beau Wallert

Hope all is well, I just got my 30k manuscript back and am currently going through it on grammarly correction everything. But I hear in the videos that Urban writers or some of the other ones should be used. My question is, for someone who is looking to save some money because I've already spent a lot more than I thought, what is my best option? I want the best book possible but to what price can I get it done with within reason?

Fachone (Fa-shawn) Gaines

Since these are non-fiction books opposed to research papers, do we need in-text citations or is that what the manuscript page is for at the end of the book?

GW

Hi Coaches...would love your inputs, preference and/or "tweaks" of the 3 subtitles (below), that I liked after going thru the "Book Title" course. Thanks...GW

Book Title: Strength and Flex-Ability Training For Seniors, Simplified

Subtitles:

- 1) Your Illustrated Guide To Increased Energy Improved Mobility & Better Balance to Enhance your Quality-of-Life and Self-Reliance. Even With Limited Ability
- 2) Your Illustrated Guide To Achieve Greater Fitness, Vitality, Improved Mobility & Balance, Enhancing Your Quality-of-Life and Independence. Even With Limited Ability.
- 3) Your Illustrated Guide To Active Aging Workouts For Greater Energy Levels Improved Mobility & Balance, Enhancing Your Independence and Quality-of- Life. Even With Limited Ability

Rachelle

I loved your suggestions on 4/14/24 Zoom. I removed the word "Simplified" in my title, removed the "ing" ending words in my subtitle, and added another benefit. Do you have any other suggestions on my revised title and subtitle? Here are 2 versions of the title.

1) The Vagus Nerve Reboot Handbook: A Beginner's Roadmap to Reducing Stress and Anxiety, Boosting Emotional Well-being, and Enhancing Digestive Health in Minutes Per Day

2) The Vagus Nerve Reboot Guide: A Beginner's Roadmap to Reducing Stress and Anxiety, Boosting Emotional Well-being, and Enhancing Digestive Health in Minutes Per Day

Len

I used Publishing.ai and it created references for the manuscript. Once the references are published with the book, will I be protected of plagiarism? I must add that they were minor and I modified the content that was flagged by the plagiarism checker in Grammarly.

Leo

Once the review page is completed, can you give an example on how to add the review page to the middle and the end of the book? I am not sure if I just send it the company that will format the book.

Edina

I redid one of the main titles and two subtitles based on your feedback from last week. The book is full-length.

The topic is 'strength training for seniors' - I removed the 'over 60' part to keep it shorter and less redundant.

I also added a sentence to the second title to make it different from other book titles already published. I rechecked the most in-demand keywords and incorporated them into the subtitles.

1. Strength Training For Seniors: Safe and Effective Exercises to Increase Mobility, Improve Balance and Stay Independent in Just 20 Minutes a Day
2. Energize Your Golden Years! Strength Training for Seniors Without the Gym: Simple Guide To Increase Mobility, Improve Balance, and Stay Independent in Just 20 Minutes a Day

Christos

I am nearly up to generating the manuscript but would like to your help making a decision on the title.

Main title: (1) Was my original choice but when I search it in KDSpy now and compare it, (2) and (3) brings better results for my topic.

POC= How to talk to anyone

(1) The Ultimate Guide on How to Talk to Anyone: Fast-track Your Social Confidence, Boost Your Communication Skills, and Deepen Your Relationships and Social Connections Even if You're Shy

(2) How to Talk to Anyone 101: Achieve Social Confidence, Boost Your Communication Skills, and Deepen Your Relationships and Social Connections Even if You're Shy

(3) The Art of How to Talk to Anyone: Achieve Social Confidence, Boost Your Communication Skills, and Deepen Your Relationships Even if You're Shy

Mark

Hello. I am new to AIA, and wanted to know if I get success calls after module 2 and 5? How do I request a call? Thanks

Denise

I am trying to click into the AI link and it never allows me. I have emailed and placed it on chat a few times now, without resolution. This is blocking/ preventing me from moving on with the process that I paid for. When I click on the link button on the home page as well as being sent the direct link by your helpful team, it only shows me the words and then to a screen that says 500 Globalstack not found.

Marie

I am almost done writing my book, should I be starting the book cover now while I am still writing?

Fachone (Fa-Shawn)

If in-text citations are required, should they be cited in the same way as they would in a research paper or are there different rules for non-fiction books? Can you provide a short example of an in text citation?

Andrea

Please coaches, I'd appreciate if you could have a look at my book title -

Most Inspirational Soccer Stories for Young Readers:

14 Spectacular Life lessons from the Beautiful Game to Build Confidence, Overcome Challenges, and Make More Friends

NB: 1) POC is Soccer Stories of Young Readers

2) I added the word "Most" because there are several books on Amz with the title "Inspirational Soccer Stories for Young Readers"

Is there room for improvement?

Lauren

Where do you get your books translated into another language, and how much does it cost you?

Thanks so much

Meagan

My title was approved in a Q&A some time ago, but I have recently been watching old recordings of your “Cover Interventions” and that has raised a few title-related questions.

Title: Canning and Preserving Made Simple

Subtitle: A Complete Guide to Extending the Enjoyment of Homegrown or Locally Sourced Produce, Eating Healthier, Saving Money, and Developing Skills for a Sustainable Lifestyle

- Is this too long? My character length falls within the recommendation, but I've seen you say a subtitle was too long when it was shorter than mine.
- Do I need to get rid of all the “ing” instances in the subtitle (and possibly the title)?

Kurt

Hi coaches, some advice on formatting in KDP please. The jpg's of the covers from FIVERR don't render properly (too big) in the previewer. When I did 7DPC, I used a Canva template and I had to adjust pixel size to make it work. Should FIVERR not give me a correctly sized file?

I have another formatting software which is also not flowing to the 9x6 trim. Maybe just have to go to PS for that. Any comments. Working with the other company but taking way too much time. I went to Kindle Create, but that makes me re-do the whole manuscript. Any other ways to do this? Thanks!

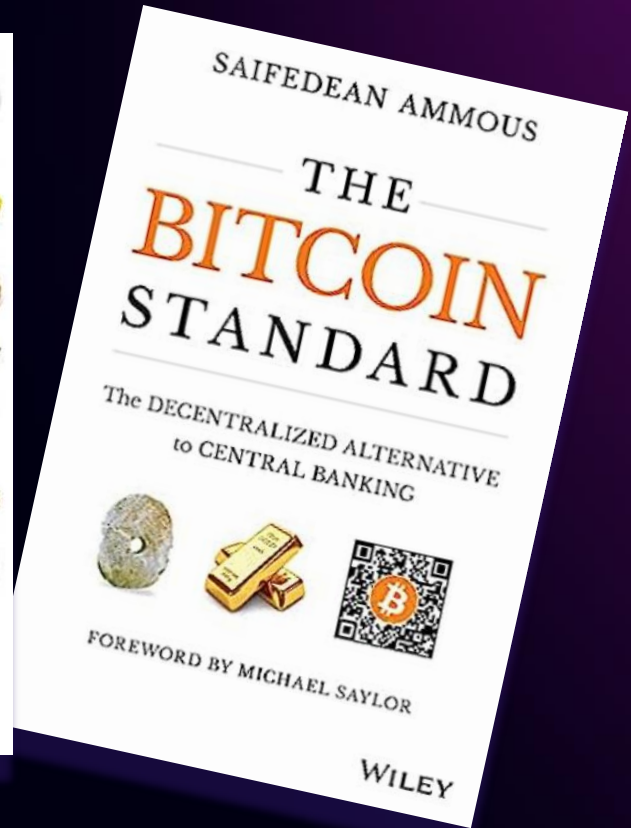

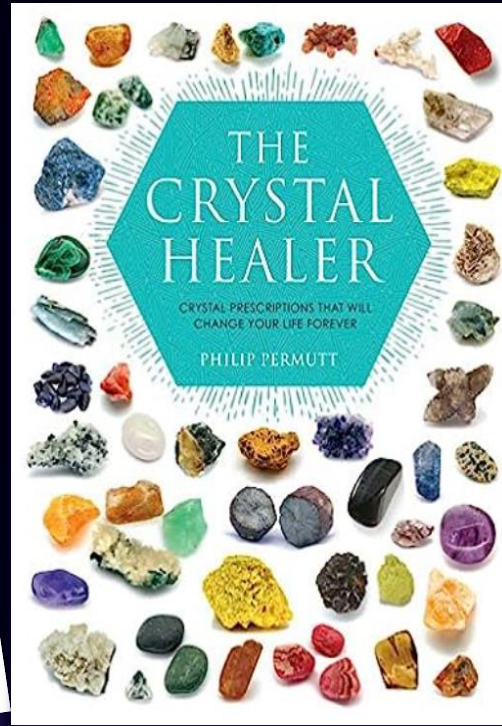

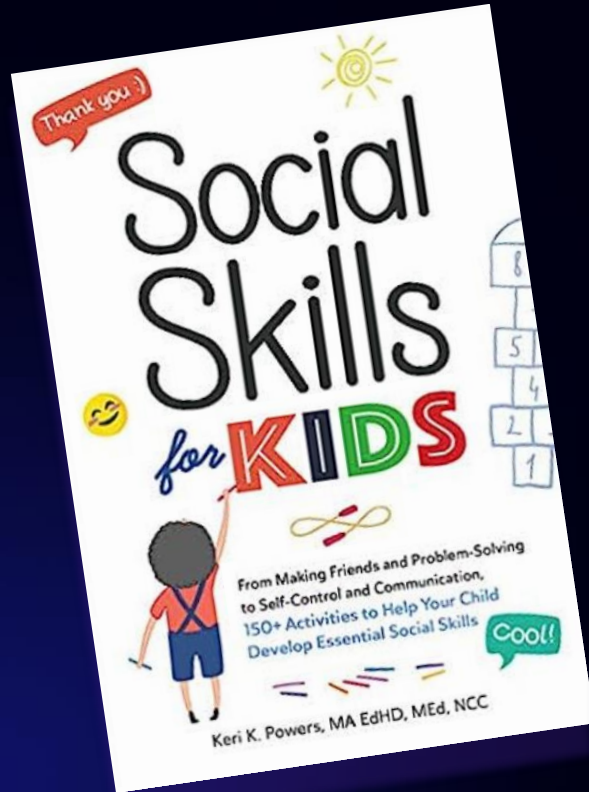

Jessica

I have not gotten the email confirmation so I cannot use the ai software ? I also dont know how to use the KDspy ? I've compiled module 2 and my coach said that was taught there but it was not? I'm stuck not able to do any research. Please help me get Access to ai publishing and KDspy? Thanks

Amber

I have just received my edited manuscript back from publishing services. They have suggested that I add in-text citations throughout my manuscript. I used AI publishing to generate the manuscript. There are approximately 30 sources from where the information came, none of which are direct quotes. All the articles are very similar in information, and I am struggling to find where each piece of information came from. I want the book to be of good quality, and I am so close to publishing it. What options do I have? My book is about intermittent fasting.
