Q&A TIME

First, we will go through all questions submitted prior to today's call through the form in the AIA dashboard (Top 20).

Average length: **45 - 60 mins.**

The screenshot shows a dark-themed interface for 'Live Calls'. At the top left, there is a 'Live Calls' indicator with a red dot. To the right, a list of call times is displayed in light blue buttons: Tuesday 4-6PM EST, Wednesday 12-2PM EST, Thursday 3-5PM EST, Friday 12-2PM EST, and Sunday 12-2PM EST. Below this is the 'Q&A' logo in large white and yellow letters, and the 'AUDIOBOOK IMPACT ACADEMY' logo. The main content area has a white background with the heading 'Live Weekly Q&A Calls'. Below the heading is the text 'Got a question you'd like us to answer on the next Q&A call?' followed by a blue button labeled 'Ask it Here'. A blue arrow points to the 'Ask it Here' button. At the bottom of the white area is a large blue button labeled 'Click Here to Register'.

OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

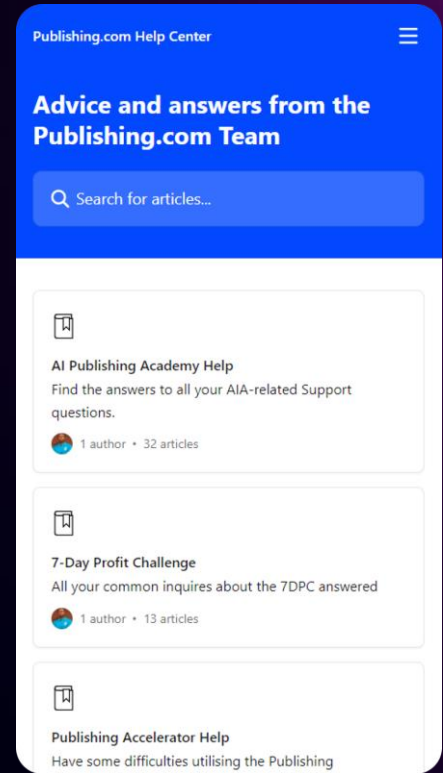

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I received my manuscript back from PS on Friday. However, I am not able to open it because PS owns it. Any suggestions? Also, do I send just the manuscript to people who want the ARC or do I include the cover?

Where might I find an example of an audio book that someone has published?

Ophelia

Question #1: If my book/ebook/audiobook cover is generated by AI, am I entitled to include a copyright page in my book?

Question #2: My book designer utilized Canva images as backgrounds for my interior book layout. He claims to have Canva Pro subscriptions. Is it safe to use these images? I've come across posts in our Facebook groups where individuals had their KDP accounts banned due to copyright issues, and I'm keen on avoiding a similar situation before publishing my first 30,000-word book.

Your guidance is greatly appreciated. Thank you.

Can I publish books about the lives of catholic saints?

Can I publish a book how to self learn keyboard

Dana

I received an email to join the beta and I filled out the form. I can access the beta through my email and work on it but I can not access the beta through the publishing.com platform. I wanted to check if this is correct? Thank you.

Lorna

If you finish writing your book, do you need a ghostwriter? Where can I send my book?

Ira T.

Hi guys hope you all are well... My question is what is KENP on Amazon KDP? My 7DPC is live on Amazon and my ebook is getting KENP reads but no sales. The help talks about royalties but I can not find out how much a KENP read is priced at? Thanks guys happy Monday ;)

Steve

I am not getting the urban writers platform? I bought a bundle that should take the book to completion. Freelancers are asking if I need copywriting? Cant they see the entire request and order. I need a great technology and money writer, does the group have any writer/finishing referrals?

Adam

If your book is at 150 reviews but your still converting at 1 in 20 clicks on your ppc what are your next steps?

Krista

(For Karina on Tuesday) Hi Karina! With your unique spin on the FB Method, how exactly do you include all the comments to your FB posts in your book? And will you give some examples of what that looks like?

Kevin

I am writing two books both of which have unique content that will not be accessible by ChatGBT - since I invented the concepts and content. This removes a valuable resource. Recommendations?

Jo Ann

How can you determine what sales are from Amazon ads and vs those from organic searches or direct links to the product?

Allen

I have heard both of these in the course: The writer won't do any research and I have to provide everything, and That they will do research. I'm not talking about the outline. Once the outline is done, who should do the research for the book?

Ben

We are encouraged to continue to follow up with those who want to review our book...until they review.

Buy after the FREE BOOK GIVEAWAY period, how many reviewers are going to buy the book to give me a review?

How long should we hound them to review our book?

rachelle

I am picking a topic, the Niche is health fitness and dieting, the sub niche is alternative medicine. I am very interested in this, it has best sellers about meditation, medicinal herbs etc. Is this a good topic?

Virin

7DPC Book Q:

For the book cover, Inside the training, it's recommended we can use Royalty Free images from certain websites like Pixabay etc, or even the AI-generated using Midjourney.

However, in the FB community I've seen a number of posts where Amazon has taken down some accounts as they were using either of those two.

How can we mitigate this risk?

Thanks in advance!

Ashley

I got my book formatted for ebook + print via InDesign. If I want to get my hands on the source files (just in case I make changes in the future), do i need the source files for both ebook AND print formats? Or is it enough to get one source file? If 1 source file is enough, which format should I go for? print or ebook? - Thank you so much

Clint Brinkley

I would greatly appreciate feedback and guidance on my first 30k book cover designs.
