FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hey, I have a question. So, I didn't know the only format hardcovers have is 5.5x8.5, but my paperback and eBook are 5x8 is it ok to publish the paperback and eBooks in 5x8 while the hardcover in 5.5x8.5 or should I try to keep them all the same format. And I did 5x8 for the paperback and eBook because my book would have more pages. Thanks

Jake

Can you copyright your books before they are published, or do you have to wait until they are posted on KDP?

Lira

Please, help me to pick the best title. My book topic is [Personality Types], Researched keywords and Benefits are [Building Wealth, Healthy Relationships, Fulfilling Life-Work, Enhanced Productivity]. Book is based on 4 archetypes I developed over decades of working with people as a therapist and high performance coach. My target audience is 30-year olds looking for practical strategies to get ahead. My book title is: 4 Alpha Archetypes: Secret Strategies to Attract Your Mate, Strategize Your Life, Get Powerful Results and Make a Lasting Difference. My question is: should I use researched Amazon keywords in my title or just state the benefits in my own words (or the words my target audience uses)?

Can you please give feedback for the book title:

Intermittent fasting for women over 50: the easy yet effective way for weight loss, disease prevention and anti-aging

Including a step-by-step 12-week fast schedule and diet without feeling hungry

Hi Coaches!

I need help citing a Facebook Comment Thread in APA format. It's not the FB post I need to reference, but the comment someone left on the post that I am referring to in my book.

The AIA FB group was able to provide me with a very clear resource online to cite FB Comment Threads in MLA format, and my coaching team suggested running it through the Citation Machine for APA format, but that only seems to give me guidance for FB Posts, not comment threads specifically.

My daughter has the main AIA account and I have the bonus membership which has less access to some things. Once we publish, can we publish books separately under our own names, or does one account means we publish each book together?

Kerry
