# OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

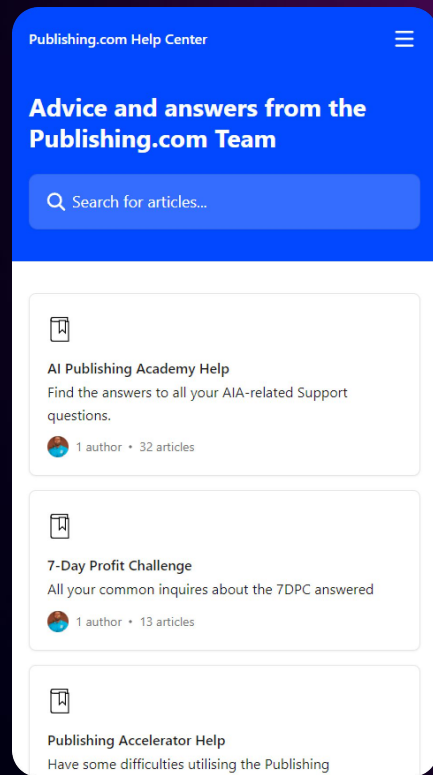

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Can I do it about a well-known person? I want to do a small book on Robert F. Kennedy, Jr who is running for president as an independent, and I really want to get accurate, good, relevant info on him to help ME decide who to vote for. So I thought, why not make it my 7-day challenge project? I also would put some comparison info on Joe Biden and Donald Trump, but mostly focus on Kennedy. What do you think? That ok?

Hi, I am toying with the idea of republishing my book for my 7D Challenge. The book is a coffee table book. It has 15,000 words. It was published in 2009. The title of the book is: "Quest of Love"  
Subtitle: "Exploring the journey of the heart" What are your thoughts on this?

# georganne

i'm not an expert in my topic of choice and am having a hard time answering the fb group questions. i am very interested in the topic after hearing my daughter state an interest in starting it and i'm actually excited about expanding the idea of it (environmental hobby) to families as opposed to individuals (in other words how to engage children in the hobby). but how do i answer the question of why i'm joining the group and how much experience i have when i'm basically trying to get reviews for my book? i'm feeling major imposter syndrome! can i not just use Pubby?

secondly, i've generated the manuscript after inputting the info that i'm not an expert. the intro includes the admission that i have little to no experience and that we are embarking on the journey together (not verbatim) but i'm afraid this may be a huge risk since the topic has books written by experts. the topic passed proof of concept as a beginners guide type of book but not written by a novice. i hope i'm not being too confusing! thank you

I've completed my first manuscript and the Grammarly proofreading and editing process. Will my next step be the Urban Writer process? I've also chosen a PEN name. Should I register it on Trademark first and then upload it on Kindle?

How can I be sure the AI tool doesn't commit plagiarism when I'm asked to enter ASIN numbers as an example for the content of my book (without having read the other books?)

# Tarcisio

I am sorry if I have submitted this question, my apologies if I did: Hello there!

Regarding the \$50 purchase on Amazon to get reviews, does it mean that someone had to have made a purchase over \$50 sometime in the past, or do they need to buy \$50 worth of products just before doing a review? Thank you

# Tarcisio

Hi coaches!

I understand that we cannot have more than 5 or 8% plagiarism, but I don't know if it is in one paragraph or the entire manuscript. What about if we have many paragraphs with 1%? It would be much more than 10% in total.

I am ready to start my 7 Day challenge but would like to set up a separate bank account for the publishing from my personal account. I do not plan to make a LLC at this time. It looks like I need to set up the new account before beginning. If not, can I change the bank account information later? I would prefer not to commingle the funds. I will probably set up the business account with a credit union instead of my present bank.

Hello, After confirming my POC I am writing my first book about Anxious attachment Recovery.

There are several books out there titled “ Anxious Attachment Recovery “ with various subtitles. I too could do that to be very specific about the topic but If I recall correctly it’s best we don’t use “ Same” titles...having said that my first attempt for a title so I could create my outline is this...

“:From Anxiety to Security”

A Practical Guide to Overcoming Anxious Attachment and Building Happy , Secure and Lasting Bonds for all Identities and Diverse Relationships

Any input would be greatly appreciated.

Thank you

How can I get DALL-E to create a correct image of a rainwater harvesting system? It won't draw the downspout going into the barrel. It always shows the downspout going all the way to the ground.

I'm in the process of hiring my narrator for my first audiobook. I'm unclear which pages from my PDF paperback manuscript I should handover to her to be narrated? I thought that I once heard that the resources page wasn't narrated. Also, what about the front pages: Title Page through Table of contents? Are the review pages narrated in an audiobook?

# Linda

Hello, I submitted for publishing my first 30k book, "Artificial Intelligence in Everyday Life Simplified," on June 18th. My paperback and hardcover were published on June 21st, but my eBook is still in "review." (There is Nothing in the spam folder.) Is that normal? What do you advise me to do?

# Elizabeth

Hi Sunday coaches!! Once your ads are doing pretty well, I have heard you need to monitor and tweak/raise the bid almost every day. Is that what you all do ? Thanks ! Rene'

# Sonee

I'm in the final round of my cover design contest. I changed my title after the first round. I'm trying to figure out if "Guide" should be in the title or add it to the subtitle. Not all have submitted final designs, but I like the concept if they're still here. Please review and give feedback based on my poll brief. What's in/out/needs changed? I like the blue/gold best. Thank you! Poll Link:

Do I have POC if I find at least 3 books that have less than 150 reviews and more than 500 \$, if one of these 3 books is actually a bundle of more books with different topics, and only one of those topics is the one I'm researching?

# Debra

I generated 3 different generations in ai for my outline. I decided I wanted the intro from one, the body from another and the conclusion from the 3rd. I saved it all to a google doc. I tried to copy and paste into the ai version and it would not allow me to paste. I cannot move forward until I can do this...Help please... Thank you!

# Avalon

Hi guys! I have finished creating my manuscript with publishing.ai and would love to go through publishing services but it's way out of my budget. I have posted a job on upwork looking for an editor so I would love to know what I need to do to find the right editor? Questions to ask? Do I ask for samples of some sort? How do you decide who to go with? Any advice or tips would be greatly appreciated!

Thank you!

# Rachel

Good afternoon coaches, I have a couple of topics in mind and wanted to verify if I'm doing POC criteria correctly. The 1st one is Stress and

Aging, the 2nd one is Healing Sounds. Thank you
