I have trouble copying and pasting my cover with a background from Google Slides. Every time I paste the whole unit as a group from slides, when I paste it into Word, it pastes the three sections. How do I paste them so they will be all together in Word?

My title is "The Practical Guide To A Healthy Marriage: Step-by-Step Strategies for Lasting Happiness Through Effective Communication, Trust-Building Exercises, and Self-Care Practices". Can I submit my cover for Review? My first book, so please be blunt and thank you for the input.

Hello, coaches. Yesterday, you guys (Wednesday coaches) reviewed my book cover and approved. Now, where else can I advertise my book for free other than Amazon ads?

# Silvia G.

Hi coaches!

In module 6 - Audiobooks - Getting Your Book Narrated, Cody takes us "step-by-step" through ACX. The problem is the options in ACX are not the same as what's in the training video; it looks like ACX added a lot of extra steps. For example, there is a box in ACX for "Publisher" that we need to fill out to be able to continue. What do we enter there? Is it our name? The same as the copyright owner?

Also, with technology and AI rules changing, what is the recommendation these days on how to create your audiobook?

I appreciate your help with these issues, as I am stuck here.

Thank you

I understood that Publishing AI provides unlimited full manuscript AI usage for creating manuscripts as part of the \$1,995 subscription. However, I noticed mention of requiring a ghostwriter to create the manuscript. Could you clarify why a ghostwriter is needed and if this involves an additional fee? I believed the subscription covered unlimited AI-generated manuscript creation.

# Sandy King

I'm doing the 7DC. Since the book is so short, can I add a "Book2" with the exact transcript but in Spanish, following the English section at the front of the book? This is for school purposes, so it'd be more convenient for the school community. How would I do that? Hope this makes sense.

Thanks, coaches!

How do I upload and to where, my cover and book? To REEDSY? Brand new at this. Sorry Danny B.

After we use grammerly, it gives us a score but then are we suppose to go to the upper right corner and do it again for plagiarism?

Does AIA primarily focuses on How to books or fiction books can be written as well?

# Natacha Messier

Is it usually best to start publishing a book in my native language, which is French, go for the English version to start with because the market is larger or launch in the 2 languages at once?

Hi Coaches, Can you please go over the process for saving an exported pdf from Atticus to my google drive so I can share it with FB leads?

The exported file opens up as a pdf in Adobe Pro on my PC and then I upload the file to my google drive where it saves ok, but when I open in google docs it is all messed up. I've tried it so many times and just when I thought it worked, there were many pages that were blank with just the watermark across the page with no text. I don't know what's happening. Please help. Thanks!

# Natacha Messier

Hello, I just started the program. I would like to start reviewing AI participants books right away to build a list of readers for when I am ready to have mine reviewed. Is that possible? And how should I go about this please?

# Larry Solesbee

what font do most coaches and experienced AIA publishers have publishing services use thru vellum when formatting? The list of fonts they gave me almost all are with serifs and pretty much all look alike. I am looking for a san serif font. ChatGPT says vellum does not support the usual fonts, like Arial nor Helvetica.

ChatGPT said: vellum does include two san serif fonts -

**\*\*STIX Two Text\*\***: While primarily a serif font, it includes design elements similar to sans-serif for clarity in mathematical and scientific text and

**\*\*Atkinson Hyperlegible\*\***: A highly legible sans-serif font, included in Vellum's Legible accessible style.

Does Amazon allow you to send a link to your book so your friends' friends can leave reviews?

What about sharing it in Facebook groups—would that be against their policy as well? Thank you!

# Larry Solesbee

has anyone figured out the secret to get DALL-E to design in 2:3 aspect ratio?

I tried so many ways encouraging ChatGPT to create book covers with great prompts, but every image was 1024 x 1024. Many times I asked to correct it or redesign and all it did was crop the sides to make 2:3, but usually destroying the original design. Every time I asked, with more and more description of 2:3 or the resolution nnnn x nnnn, and she would apologize and say this next design for sure is 2:3, but it never was...Of course numerous times I even asked ChatGPT to give me guidance in prompting...same result

# Christine Bravata

Happy Friday! Can you please explain the reason for password protecting a pdf in Adobe? If I do that, it will make viewers enter a password first, so I don't think I want to do that, right?

Also, when I go to pdf2go.com to protect it, and then save it, and then upload it to my google drive so I can send my ARC the link, it has half the book pages empty. Is there a certain way to save the file so that it can be shared properly once it's in my google drive?

Thanks so much!

# Kacey N.

Hello, can you please review my book covers? I particularly like cover #3 the most. I know the author name on all covers needs to be smaller and the 18 bonus recipes sticker needs to be smaller as well. These covers are made by Publishing Service, not by 99design. Any recommendations will be much appreciated. Thank you.
