# FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I have watched the lesson “Copyrighting your book” in module 5 about the new requirements from ACX for publishers to get their books copyright-registered through the US copyright office.

I publish low-content audiobooks, as taught in the Low Content Kickstarter lesson, through Authors Republic (I am an international publisher outside US/UK/Canada).

The audiobooks will be published on Audible but through the distribution of Authors Republic. I don't have an ACX account.

Do you think it is necessary for me to copyright register these very short, inexpensive low content audiobooks that I publish through Authors Republic?

If I don't copyright register, could I run into the same potential problems as someone with an ACX account that don't copyright register?

Thanks

1. At the bottom of my Upwork "View Job Posting" page it says how many proposals I have received, how many candidates I'm interviewing, how many I've invited and how many of my invites are unanswered.
  - a. Do GW candidates see this information on their view of my job posting?
  - b. How does Upwork know how many people I am interviewing?
2. Is the "Ghostwriter Agreement" linked to inside of the "Video Interview Cheatsheet" document the most currently recommended template or is there an updated agreement template?

Can you recall the writing tools (grammarly for example) recommended in one of the early videos to help you write your book?

We would appreciate honest feedback on our Book Covers. Especially:

- 1) Positioning of Before, During and After on book cover 1 and 2
- 2) The sub-title on book cover 3 and 5
- 3) The coloring on book number 4
- 4) book cover 7 and 8 general feedback in relationship to the prior 6.
- 5) Any other suggestions that you think are valid. :}

There are a few books in our Niche that have hands held together and similar format as books # 7, 8.

All feedback is appreciated. Be as constructive as you would want us to be for you.

We have open minds. Thank you very much.

I purchased ISBNs from Bowker and am ready to assign one to my first self-published book. I am printing 100 copies through LuluPress first, then putting it on Amazon PDX + ACX.

I just noticed that the Bowker ISBN assignment page asks for Format, and there are 3 choices: Audio/ebook/print. So, do I need a different ISBN for each format?

Also, is it considered an ebook or print when I submit it to Amazon?

And, if I use the ISBN for LuluPress as a printed book, will I use the same ISBN for Amazon's printed version?

Sorry if my questions are confusing. I am definitely confused!!!

Topic: Mediterranean Diet

Title: Mediterranean Diet Plan

Subtitle: You can be healthy on a budget A way of eating to get the energy you need for the activities you want to do. 90 simple recipes from South Europe, North Africa, and the Middle East

I want to know if this is a good title and subtitle. If so I wanted to know if I should put the 90 simple recipes from South Europe, North Africa, and the Middle East in a sticker when it comes to a cover.

I have asked KDP Support to add additional categories. Even though I get an email saying that the request was completed, they still only added one or two at a time.

I asked again and still they only add one. The next time they combined three categories into one. They still haven't added the categories I need.

I have sent multiple emails. Do you have any advice to have someone do this correctly?

I thought I would be creating an outline but I have been doing a lot of the writing, because only I know the points I am trying to convey with the given resources. I am wondering if I can pay an editor type of help in lieu of hiring a writer, I figure perhaps if I save money on the writer, I can afford a good narrator. Does that make good sense?
