FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

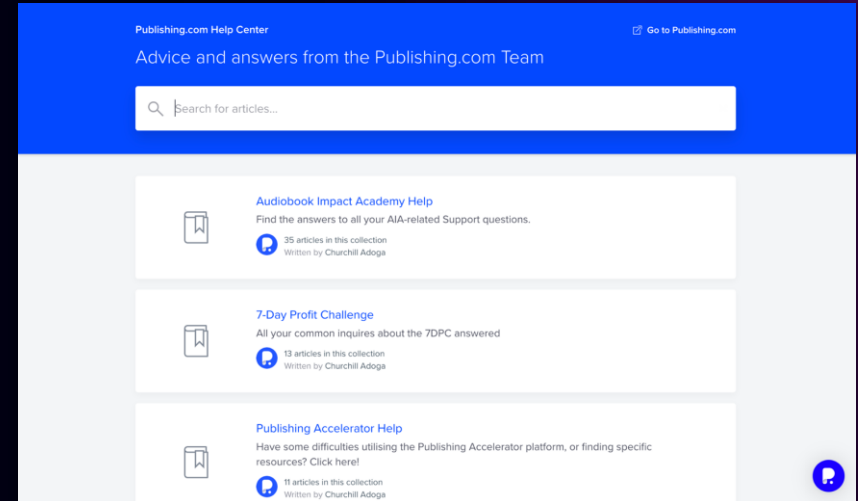

Most Frequently Asked Q&A Questions:

Visit our Help Center

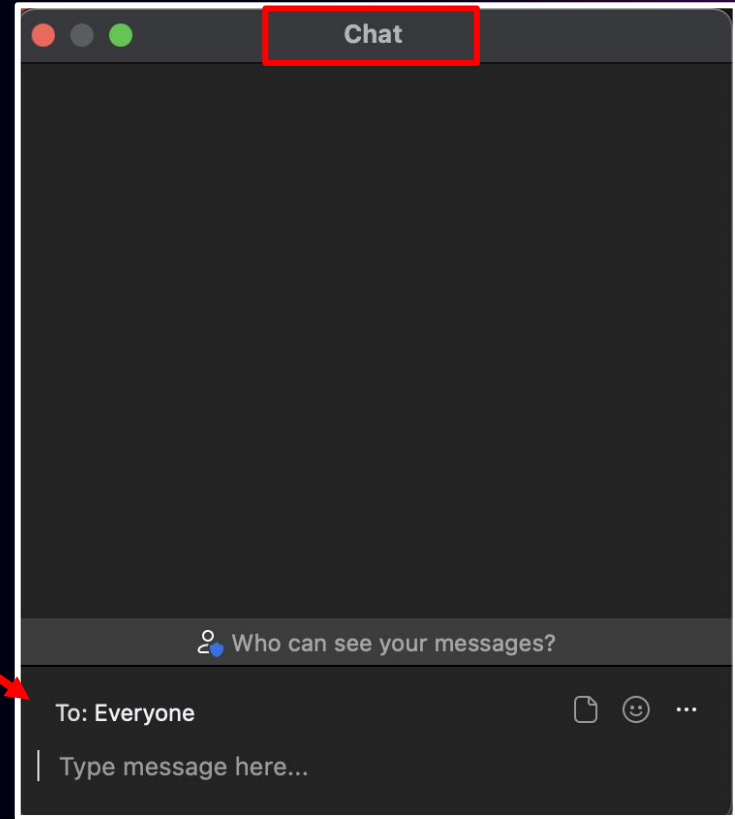

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

On the promotional video, Spanish Language Instruction was listed as a hot topic. I do not find any ghostwriters listed with Spanish, foreign language instruction listed as domain area. Where do I find them please?

if i enroll in KDP Select am i prohibited from publishing my book on other sites like ingramspark, etc., after my book goes live on amazon?

Larry

while writing 7DPC book, after getting stuck at 2500 words, if i get more content from ChatGPT do i click the box on KDP:

"Did you use AI tools in creating texts, images, and/or translations in your book?"

Jay

Hello, Hope you all are doing well. I signed up before it transitioned to AI and was wondering if I should complete the course under the original version or the AI updated version. Thank you!

Jay

Back with another question. I've had a lot of roadblocks in my journey, with an author cancel on me for health reasons, and a new author that is booked until December or January. I would like to just get started, but I don't know if I should wait around for this new author or if I should just go ahead with someone else. Any encouragement would be greatly appreciated.

For the 7 day book challenge can we do a book about the importance of sleep, aimed at both parents and children? We are double checking the prohibited book topics before we dive in to this 7 day book challenge. Thank you so much.

I had a topic picked out with POC and noticed on the Facebook group someone submitting their cover for opinions. What are your thoughts concerning continuing the project or should I pivot and look for another topic?

I'm doing an exercise book and need to incorporate illustrations to clearly demonstrate the exercises. What's the most economical way to do this? I remember hearing a comment about posting an ad in Spanish on a graphic illustrator site as a way to save \$, but for the life of me, I can't find the lesson anymore to review it. Can you reiterate this tip, as well as others that you've found successful? I'll likely need about 100 illustrations or photos of how to perform the exercises.

So, i have the book published already. I didn't add in the book the part where you ask people to leave a review. But i would like to do it for the audio book. Would be any problem if it's missing for the paperback but it's present in the audio book? thank you

Rebecca

Trademark Search- I went to the Trademark search, but unsure if I'm supposed to use TESS, or just type in the trademark name search. Please guide me on the steps to searching this properly.

Please submit my question for the Tuesday Q&A

I would appreciate your guidance on constructing a great title for a book about the transformative journey of menopause.

I saw the videos but still do not understand POC, can you help me out?

Hello Wonderful coaches

My book manuscript is 90% complete and after that I'll submit my work for proofreading, editing, formatting and all that good stuff. Just waiting for my manuscript to complete in all aspects so I can ask my designer for paperback cover.

The reason I'm asking this is that what I've learned in the Q&A call before that we can even publish our ebooks and paperback books without copyright. Is that right ?

Debbie

Im having problem with Scribbr not being the same as in lesson. I'm not sure if my references are formatted correctly. I'm ready to export except for this one issue. Also when Rasmus did his book in the videos, he did not cite in the body of the chapters. Only had references at the end. Nothing is word for word so is This is OK?

Debbie

Follow up to last question...Is there another site we can use to format resources?

Debbie

I got an email from Christian subject "AIA We have someone waiting for you..." There is a link in the email for a list of low cost experts. Writers, narrators, and cover designers. It's a downloadable PDF but I can't get the link to work. When I click on it I get a blank page with a sentence at top that says you do not have permission to view this page

Shanika

I'm on Module 2 and have questions on how we use KDspy when researching Proof of Concept for book topics:

- Do we stick to the first results (1-21) or also pull from results 21-40 and onwards? I've had instances where POC number changed from 2 to 5 because I loaded more results
- There are 3 tabs: Kindle, Books, Audiobooks. Do we only stick to looking at the Books tab?

Courtney

Are the book topics under the 14 niches (research spreadsheet) the only topics that should be researched? Niches such as Computer & Technology and Education have limited topics and looking on the Amazon best sellers list they also have relatively few titles there. Are there any other options are should we strictly stick to the topic lists provided in the spreadsheet?

Patti (Patricia)

Could you please provide feedback on this book title? Thank you in advance!
