May 25, 2023

Q&A Time

First, we will go through a run down of Topic Research and POC, and then we we answer all questions submitted prior to today's call through the form in the AIA dashboard (Top 20).

Average length: 45 - 60 mins.

Special Segment!

Today's Q&A is on:

- 1. Finding a book topic
- 2. Establishing Proof of Concept for your book topic

*** General questions will resume on the Sunday/Tuesday/Wednesday/Friday Q&A. ***

Open Q&A

Submit your Topic or Proof of Concept questions live on the call in the Zoom Q&A field. We will pick and choose the best questions to answer.

FYI

There are many students on this call, all at different points in their publishing journey.

During this session we are focusing on finding **Book Topics and "Proof of Concept"** for a valid book topic.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Most Frequently Asked Q&A Questions:

Prabha

I did submit a question yesterday about to whom I should approach my proof of concept book titles based on ancient mythology and ancient philosophy which I have trademark checked.

The following titles are: 1.A History of Ancient Egypt Volume 3: From the Shepherd Kings to the End of the Theban Monarchy, 2.A History of Ancient Egypt, Volume 2: From the Great Pyramid to the Fall of the Middle Kingdom. I would like to submit a screen shot of KDSpy analysis but this form doesn't allow it. Please let me know if there is an email address that I can submit my analysis to. Thanks

Muhaiminul ISLAM

5 MOTHS before, I chose a book topic that met all the criteria to be a successful book topic (using KD spy), but now when Im (kD spy) checking - its no longer a successful book topic. Should I continue with this book topic???

Muhaiminul Islam

Auto suggestions was suggested to find keywords for book title but for my book topic, I could not find any auto suggestions (I have used kd spy and it met all the requirement to be a successful book topic). How should I find my keywords for my book title??

Emily

If I have a book idea where I want to lay out Psycho Cybernetics and it is trademarked. Since achieved and fail goals means the same thing as psycho cybernetics and these words are not trademarked. Do you think it would work with these words for my topic instead?

Emily

What do you think about if I am putting out books about achieving goals then is it in the same niche as fitness if it has to do with goal setting or mental health goal setting? You know what I mean?

Mary

Are religious-based topics a good idea? Example - christian self help books for women is the same as self help books for women on the POC....

James (Jim)

can someone look at my POC sheet The link is: https://docs.google.com/spreadsheets/d/1t8RpLeTNmPYigAfiNKH3iOWkQwBid-UQiqaoJW m4Asl/edit#gid=1304402459

James (Jim)

I like "life skils for teens" and "anger managerment for teens" and "anger managment for kids" what do you think considing my POC above?

Selin

Hi coaches, my 30K is with my ghostwriter and my topic passed POC early on (it has lost it when checked again).

Can you help me look into another topic variation in the same niche? My main niche in from Alternative Medicine category - Aromatherapy and self care with essential oils. Any guidance is greatly appreciated. I'd like to have a topic going for the next book if its a 30K or less. Thank you!
