I currently have an Amazon seller account for selling physical products and a Kindle account for publishing books. However, I used different email addresses for each account, resulting in two separate Amazon accounts under my name. Could this be considered a red flag or duplicate accounts by Amazon? I'm concerned about the possibility of my account being shut down. Your advice on this matter would be greatly appreciated. Thank you.

I am working on a new book title: Please recommend which of these 5 titles sounds best.

1. "Money Mastery: Make, Manage, and Multiply Your Wealth for a Complete Financial Makeover"
2. "Transform Your Finances: The Three M's of Money - Making, Managing, and Multiplying"
3. "The Ultimate Money Makeover: Strategies to Make, Manage, and Multiply Your Wealth"
4. "Wealth Reimagined: How to Make, Manage, and Multiply Money for Financial Freedom"
5. "From Make to Multiply: Mastering Money Management for a Total Financial Makeover"

I have revised my title and subtitle a couple of times with different Zoom Day instructors, and this is what I came up with. I am happy with this title and subtitle and wanted to see what you thought.

The Vagus Nerve Reboot Handbook: A Beginner's Guide to Manage Stress and Anxiety, Boost Emotional Well-being, and Enhance Digestive Health

Steve

What do you think of this title?

Title: First-Time Fathers Ultimate Pregnancy Survival Guide: Lower your anxiety by learning what every father WISHES THEY KNEW before birth. Become comfortable supporting your partner and bonding with your new baby. Dad Hacks for the new Papa Bear from Pregnancy to Parenthood.

I just finished module 4 video "stamp of approval" a new to me addition. I signed up in February of 2023. Indeed, I am slacking however my book just came out of editing with TUW. I started on it last March (2023). I signed on with TUW in August and purchased the premium package. It includes formatting, book cover, book description and narration. So, my question is: Is stamp of approval required?

Coach approved POC for "AI for Buisness" Can Ai generate and identify the best practices or how do I get that? Not sure what sectors of channels will have the highest appeal. BUT this was actually a sub niche of AI for Creativity - where I wanted to explore developing innovations here n there etc...Plus there are areas in marketing and sales as well. etc Coach suggests we make it a message point? Where is the wildest appeal? Many thanks

Rich

I just watched the accounting video. I understand singularity in theory, but how does it work in the beginning when you don't have a business account and your expenses are paid from your personal account?

Ariel Santiago

i saw the video on publishing on a budget and i want to start creating those. i am currently unemployed and im trying to do as many as i can. my question is how can i format a coloring book, and what do i use to start making the book (microsoft word, google dcs, etc.)?

Jani

Hi there!

This is my first question ever posted, hope I didn't overdo it..! :)

Could you give me feedback on which title is best? Or if I need to go back to the drawing board... Thanks!

Title Help: The Extraordinary Life of Men with ADHD: Build Resilience Against an Overwhelmed Life, Calm the Chaos and Move Past Failure by Celebrating Your Superpowers for Success and Happiness

character count I think is about 154

One of the top books is called ADHD is Awesome. From the beginning, this book was supposed to be mainly about the positive traits and benefits of ADHD.

Men with ADHD is the key phrase. Can't say Extraordinary Live(s) because that sounds like its a book of stories about their lives. But I think "extraordinary" encapsulates my theme best.

THOUGHTS?

Len

I viewed the module for the book review page and am confused on when you add the link for the QR code. Can you explain the process?

Paul

My first subtitle, while more informal, doesn't have a lot of keywords, but I wanted to see if it sounded better. The second one has a lot more keywords.

Hello, please review my revised topics and sub-titles.

Topic 1 [Craft Your Eco-Friendly Backyard Homestead: Effective Techniques for Abundant Harvests and Sustainability]

or

Topic 2 [Craft Your Own Eco-Friendly Homestead: Effective Techniques for Abundant Harvests and Sustainability]

Sub-Topic 1 [Innovations on a Budget: Practical Tips for Organic Gardening, Renewal Energy, and Waste Reduction]

or

Sub Title 2 [Innovations on a Budget: Practical Tips for Organic Gardening, Renewal Energy, and Waste Reduction in the Backyard]

Thanks

I am considering a book in the health and wellness niche, about a specific disease. The topic "Reversing [Disease]" has very clear POC, but I'm assuming that would be a no-no since Amazon would flag it for medical claims. Is "Managing [Disease]" safe? Or "Mastering [Disease]?" Or do you have other suggestions I could check for POC on? But whether Mastering Disease or something else, this exact phrase would have to meet POC also, correct?

George

Hi coaches, which cover design is the best? Also, any images that need to be revamped or changed?

The book title I came up with for 7DPC is, "COOK SMART, NOT HARD", do you think it would sound better if I changed it to, "COOK SMARTER, NOT HARDER"? thanks in advance.

Chinyere

I'm currently editing my book manuscript and I'm wondering if I can upload the edited version while still keeping my existing book reviews on Amazon. Additionally, I'd like to make slight edits to the title on my book cover.

Steve

Sorry for last week. I read 500 characters as 500 words. Because of that, you missed the reason for the question.

What do you think of this title?

Title: First-Time Fathers Ultimate Pregnancy Survival Guide: Lower your anxiety by learning what every father WISHES THEY KNEW before birth. Become comfortable supporting your partner and bonding with your new baby. Dad Hacks for the new Papa Bear from Pregnancy to Parenthood.

Terri

I ran a 99 Designs poll and these are the top 3 covers for my new book. I appreciate your input.

How do I get a UPC code? Also, does AI put images into my book?

GW

or

I have been unable to find a module lesson that describes how to upload the files for a cover review. Also, are we limited to just three to submit? My contest on 99Designs has produced a couple dozen designs, and on one end of the spectrum are really simple ones that are readable and engaging, but at the other end are some that are absolutely dazzling. I don't want potential purchasers to get lost in the visuals, but I DO want them to be captivated into at least looking, as long as the text pushes its way into their awareness.

Mark

I shortened my title and adjusted my sub title, and wanted your opinion.

Title: [Green Harvest Homesteading: Craft sustainability in your backyard]

Sub Title: [Innovations on a Budget: Save More and Live Better with Organic Gardening, Renewable Energy, and Smart Waste Reduction]

Thanks

Which One of these Book Covers Stands Out The Most From A Marketing perspective?

Lee

Before I ask my question, I want to express our gratitude for your insights, encouragement, and willingness to share your knowledge each week.

I am presenting 3 book covers. Before you give your thoughts, would you ask the folks on the call to indicate their preference? If they do not like any of the covers, please vote 4.

Could you announce the top vote-getter? I would welcome any suggestions on how to improve the top cover. Thanks.

I am stuck. At the beginning of the lesson the Narrator says he's going to take us from a book outline to a manuscript ready to publish. With no transition, he starts talking about written samples and using manuscript credit. I do not see where my outline comes in. Please help me establish the connection between my outline and the AI generated manuscript.

Hi Coaches, I am wondering how to go about using quotes in a medium content book ideas I have. Can I use any quotes as long as I site the author after it? I wasn't sure if I was planning on using multiple ones. Or is there a way to make sure I have access and can use in resale.

Thanks
