The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

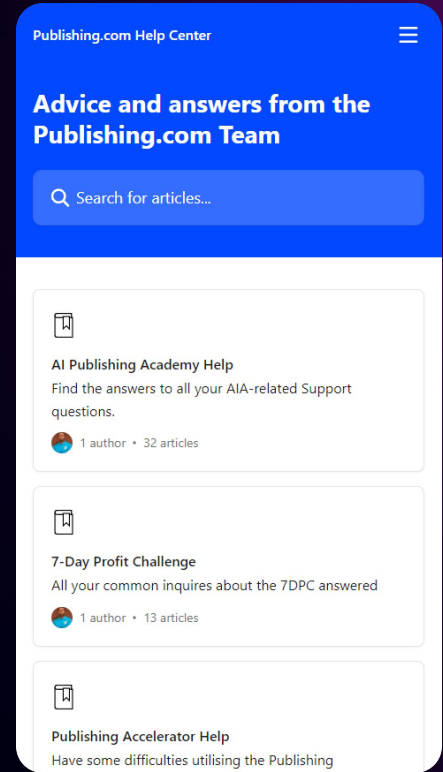

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Continue to be unable to find topic that meets POC. In the mods the recommendation is, to "extract what the book is really about" by going through the best seller list. I have done this several times from several best seller lists. The Q&A sessions emphasize "solves a specific problem, in a specific way, for specific audience and that the "exact words" appear in the KDspy list.

Question 1. Are exact words in the KDspy results critical?

Question 2. I have been close to POC however the book did not meet the 60 day rule. Please elaborate on the 60 day rule and why we must adhere to it. Art or science?

Success! My Rough Draft Manuscript has arrived for me to edit. Hooray!

I have an AI generated Cover that I like ...except the software kept making small mistakes ...and it downloaded something different than I wanted.

Is that because I was using the free version?

Hi, Coaches, hope your day is going well.

I just signed up for a year's worth of Grammarly ...only to find they no longer have the plagiarism checking feature. Any thoughts?

Thanks!

I completed Modules 1 and 2. Modules 3 and 4 are locked and it skipped to Module 5. Not sure why this is happening. In module 5, I have to set up the KDP account. I already have an Amazon account and it won't let me create a new account using the same e-mail that I use to log in. I believe I need to use my real name, etc., but I want to use a different e-mail. I am not incorporated yet, will do so in the next few days to keep things separate. I'm stuck on Module 5 until I incorporate which can take a few days. I don't believe I should set up the KDP account until I do. Not sure. Is there any way that Modules 3 and 4 can be unlocked? I'm at a standstill. Am I approaching this incorrectly? Please advise. Thanks.

Hi , I have published a kiten book by your 7 day challenge. Sold 18 pc . Not promoting yet.

1. Can I change the cover ?
2. Can I change content? More pages
3. Which steps to take ?

# Taylor Gordon

How do you find the most profitable books? How much time does that take?

# Rolande Damey

While working on the 7 Day Challenge, should I stop the review of other modules?

# Terrie Huberman

Currently, I have one version of the book outline that is based on a 'vision of the book', but I'd like to play with another generated version that has 'steps' for a step-by-step approach to overcome overthinking, the book topic. That would also help guide in the book title.

Do I enter in the same information that I did for version 1 of 'Vision of the book' plus add in the steps as bullet points? I'm not sure how to fill in that information into the vision of the book section.

I'm still using the same data from everything else, however just want to generate a different version that I might like better, based on a different vision that has steps.

Thank you!

# Jo-Anne Gannon

My book will require success stories, so I am wondering if pub.ai does this if it is in my book outline, or if I have to acquire these elsewhere, and insert them into my manuscript on my own. If I have to find these success stories, are there any suggestions as to where I could obtain them. Thank you.

Q1: Regarding KDP Pen Names. I have an existing KDP account with a single Pen Name. I am currently working on a AIA Book. My existing Pen name (e.g. PEN-01) is not personable enough for the book. Therefore, is it legal to create more than one pen name per KDP account (e.g. PEN-02)?

Q2: I have quite a bit of content under PEN-01. Can I use both PEN-02 (author) and PEN-01 (contributor or author) on the same book. This I would like to do in order to have PEN-01's link to its author page which contains my existing KDP content. Is this legal?

Q3: If Q1 & Q2 are legal, can I include PEN-02's books on PEN-01's author page?

Thank You :)

I am trying to decide on 4-6 designs to move forward with in creating my ultimate book cover design. My hopes for the cover is to illuminate the myriad of symptoms adults with ADHD endure on a daily basis and to bring a sense of calm, balance and confidence. Could you give me your thoughts and feedback on these choices? Here is the link to the poll that was created.

Hi Coaches! I'm working on converting my book into an audiobook now, (yay!) but despite the many, many times I read and edited my manuscript, now that I'm listening to it, I'm finding a few small errors and a few sentences I'd like to revise. How can I do this? Is it worth it? How much can I change? What do you recommend I do?

In my chosen topic, Apothecary, there are several books in KDspy that are making huge amounts of monthly income on very few reviews ie 38r/\$82,000,37r/\$22,000,33r/\$12,000. It's difficult to accept and believe. How is it possible?

# Chase Burton

what advice can be given for my book "Mastering Success & Excellence in > 30 Days - The Ultimate 30-Day Guide to Mastering Success, Achieving Excellence, and Conquering In All Aspects of Your Life" I've proof read, and really like it. but I need to know if thats just my excitement convincing me that this is a legit good book that'll get high sales... I head into work at 1:30, so if I could get some input before then, I'd REALLY appreciate it! ;D

Dear coaches,

I am trying to decide which cover is the winner. Would you be so kind as to check the covers and let me know which one is your favorite? My coach liked #9. I like 118, 101 and 96. My vision is to portrait people having fun in retirement.

Thank you so much for your input.
