Open Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

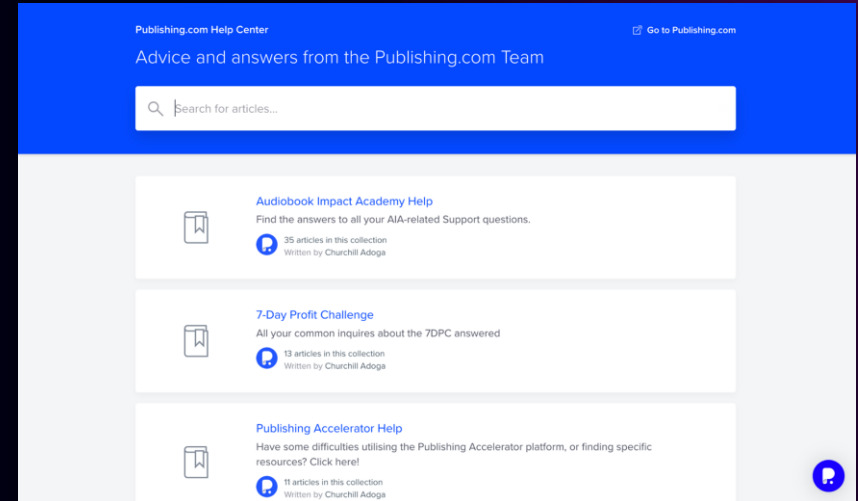

Most Frequently Asked Q&A Questions:

Visit our Help Center

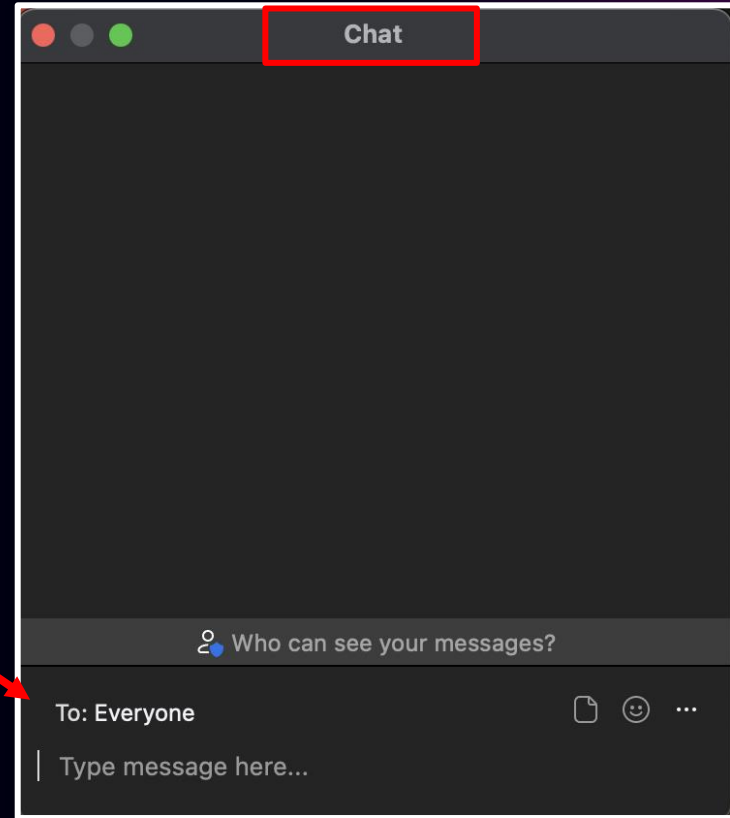

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

Book Title: Master Your Money: Dominate Personal Finances, Control Your Spending & Live an Amazing Lifestyle

I was informed yesterday on zoom that improvements should be made to be more specific in my title.

Please advise how to achieve this process, I assume its using the prompt provided on ChatGPT. How do I know I found the answer im in search of? When do I know Im done?

Shelley

I need help choosing the best title for my 2nd book.

The first one seems to say it all but my coach and I came up with the second one and I'm starting to wonder if it's too long.

1. **Signs of Love: Astrological Compatibility and Relationships Decoded.**
2. **Signs of Love: Astrological Compatibility and Relationships Decoded: Learn how Astrology can Impact Your Connections, Identify Potential Strengths and Challenges, and Empower you to find Your Ideal Partner**

Any opinions would be helpful Thank you.

Hi Coaches I'm doing the 7dc and have made this bookcover I'm not really happy with should I try to salvage or go to a pro cover place? Thanks Lilly

I would prefer not to have an author page on the cover or within my book. I have introduced myself and why I wrote the book in the introduction of the book.

How important is having an author page? What do you feel is the impact of not including it

Carina

Hi! For a low content book that has images made with Midjourney and Canva, do I need to give credit to these images? How do I reference these in a bibliography? (I thought these were for free commercial use). Thanks!

Emilie

When searching for proof of concept I am not getting any results when i get more specific. I only find POC when the terms are extremely broad. Is it a broad term we use to find POC and then niche down from there just with our own topic?

I have downloaded my book cover getting to download preview, there is an error message: it is telling me the the book size is 10.33x8.250 I had entered the trim size 8x5. I have read all the info on conversion chart however nothing I have tried is changing the original import info; I did not download the cover first so that may be a problem, can you help?
