The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

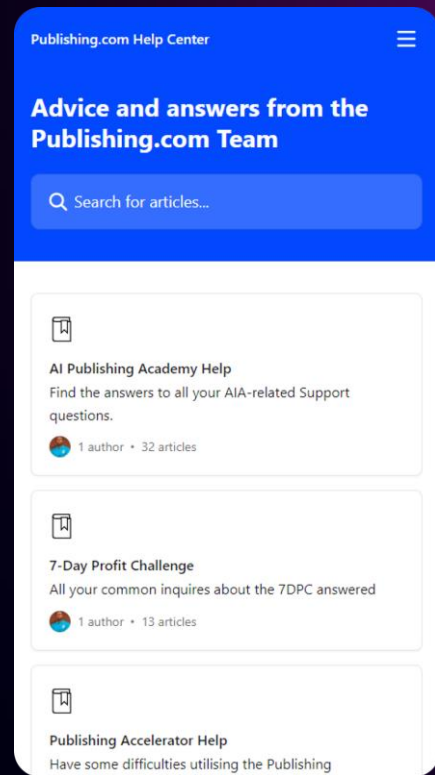

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hey guys I'm really struggling with getting 15 reviews before running Amazon ads. I asked my college teammates to leave reviews and they're not doing it. I don't want to be a nuisance, so I probably won't ask again. I ran facebook ads and with free promotions and I have over 100 orders on my book but only 3 reviews. Please help, what do I do ? It's been over 7 months. I'm losing faith

I am getting ready to publish my 1st book and following the instructions in the videos - in order to publish the book it needs to be formatted. When I got it formatted thru PS they provided me with an epub and a pdf. However, in order to get the ASIN, I need to publish the book. I have no way to edit the PDF or epub files so how am I supposed to change the placeholder link to the real link/QR code with the ASIN? I do not want to have to go have it reformatted - and pay again. Sooooo what do I do here? I either missed something or something is missing... Any assistance would be appreciated. Thanks!

Stuck on title. Shared with my coach but still undecided. We both really like both options and she recommended combining them, but concerned that the combination is almost too long. Would love to hear what is most appealing to others.
