Open Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

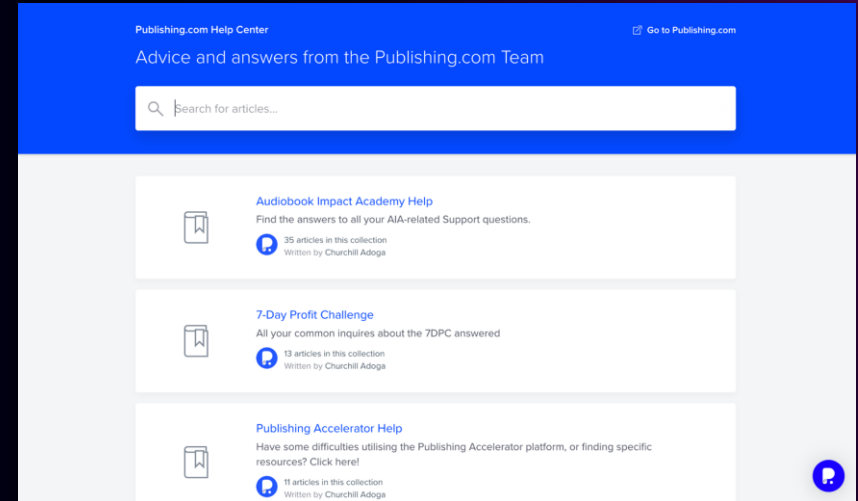

Most Frequently Asked Q&A Questions:

Visit our Help Center

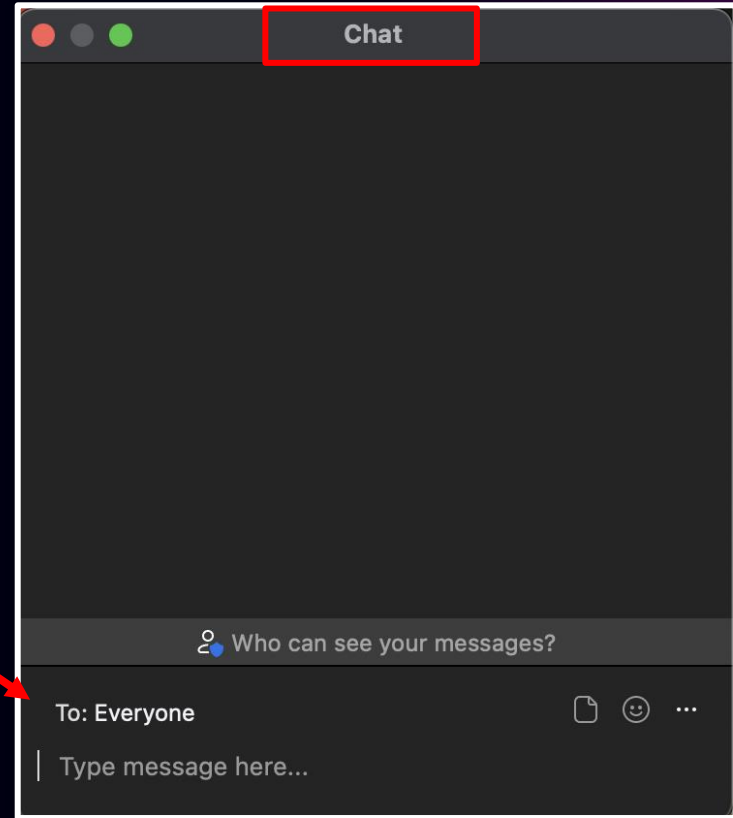

help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

I am putting a call to leave a review on Amazon in my book. Can I say, post your review in my private group to unlock advanced content? Would that be considered an inducement to get a review?

Rachael

I remember Christian and Rasmus saying we should think about similar book topic ideas that relate to one another when we write our first book that way we can make a bundle package. I'm thinking about doing AI in the classroom because it seems to be profitable and it passes POC. However, I can't think of any books I would be able to make as a bundle with that topic. Does that mean I should pick a different topic? Thoughts?

ELAINE

1. I did not get many reviews back with the free promotion on my new book, but those I did get were 5-star. How can I get more reviews now?
2. Do you recommend changing a title on an already published book if the title does not pass the proof of concept?
3. How else can I get the word out that my book exists?

Hyogo

Hello everyone!

When outsourcing the outline to PS, how detailed should you be with your vision of the book? Should I create a whole table of content? Or should I leave some space for interpretation, since they will be doing the research?

Johanne

Good afternoon coaches, before the launch of the new AI Course my topic was Quilt Patterns, but after it launches I did another search using the new course and it was no longer proof of concept. So, I've use two other topics that had on my list that did show strong POC : Quilting(1) & Quilts(2). However one of the lesson mention if the topic do require color printing we should not go on to start publishing. So my question is, should I just choose a different categorie of topics and start all over again? Thank you for your help in advance.

Nancy

After completing the Mindset Module, will I be able to access it again for review purposes?

Roy

I can't open chat ai. I get a privacy error. I am using chrome

Selin

Hi coaches,

So i'm getting to know ads now and launched all 4 campaigns. Status says "delivering" so when do you think I will I see my book make its way to page 1 and be labeled "sponsored"?
Thanks.

I have a PC and I signed up for KDSpy and it is not showing up in my Extinctions so I can use it on Amazon. Any suggestions on how to make that work?

Gary

How do you submit your book for ghostwriting? I have three writers, but I don't know how to submit the chapter outline to them.

Gary

How do you submit your sample chapter to the writer? Where do you mark or place an order with the money?

Natalie

I am doing the 7 day challenge and got a stock photo for the image. My cover was fine for the e-book but when I uploaded it for the paperback, Kindle Cover Creator said the image is only 257 DPI and they recommended at least 300 so asked that I choose another image which I do not want to do or scale this one down. How do I scale it down?

Natalie

I signed up for Publishing Accelerator but when I hit the tab on the AIA home page, It will not let me in. Thanks

Leslie

I have a question about uploading a calendar onto KDP. I completed my 7DC -- which is great! And I am almost ready to jump into main course material and the 30k book, but I took a day off yesterday because it was such a gorgeous day, and I got some fabulous photos, so I thought it would be cool to create a calendar. I did it all today - I used a CANVA template and I'm all set to go but I do not know the next steps.

Can anyone explain next steps:

Which format do I download from Canva? JPEG? PNG? PDF?

What next ?

If coaches have any suggestions, ideas, knowhow, I would be grateful. Thanks in advance.

Leslie

Kerry

I am preparing a multiplication worksheet workbook and I checked all the referenced worksheet generators such as [Math-Aids.com](https://www.math-aids.com) and [SuperTeacherWorksheets.com](https://www.superteacherworksheets.com)

When I checked the terms and conditions they all clearly state that only non commercial use was permitted. Comment?

How do I create my book link which, according to my cheat sheet, should start with <https://m.me/>.

How do I get to the place where I attach my username to the first part. This will allow me to send out a PDF copy of the ebook. I am stuck at this point. Thanks

Evelyn

Hello Coaches - A friend referred me to a high-end formatter who just quoted a fee of around \$1-2 K when I'm expecting to pay a couple of hundred. I'm sure she's meticulous but still. To top it off, this morning I read about the experience of a fellow author on FB. He showed a picture of his published text that was almost unrecognizable.

His book sales are ruined because of a bad video review. I'd like to know whether he'd used someone unprofessional to format his book, or is it Amazon's fault? Can I trust someone on Fiverr to do a reliable job? Are there signs that'll clue me in? Thanks for any help you can give!

Donna

On KDSPY can you niche down your search or target market?

Donna

Are there free sites for illustrations if you do not want to use black and white images?

Donna

Is there a preferred number of pages to work within as some books are not detailed enough and some are too long
