I've been having a difficult time finding a topic that fits proof of concept(POC). Usually I'll find a broad topic will fit POC but when I try to niche down it doesn't fit POC. Should I just write on the broad topic. Any advice on making a broad topic book successful? Also I'm so motivated and ready to go but I've been spending too much time on topic selection which wasn't advised in modules, how do to get out of this stage quickly?

Donald

Reaction to book title "Your Path to Commercial Real Estate

Subtitle: A 33-Year Veteran walks with you through every stage of your development.

Donald

Response to this description: This seasoned coach will show you the right path and the road signs you will see along the way that will give you the assurance that you are going in the right direction. The author takes the time to point out "What to Do" and "What Not to Do". A successful commercial agent once said..."If I wrote a book about "How not to succeed in commercial real estate.", no one would buy it, but if they did, they would have a lot more fun and save a lot of wasted time. This book is the result of a lifetime of experience.

The purchase of this book includes free download of eBook and free access to on-line resources and tools that will prepare you for contact with a client on your first day.

This book is for you if you are a residential agent wanting to explore commercial real estate in a creditable way or if you want to begin your real estate career specializing in commercial real estate.

If you don't learn anything, keep this book, and get your money back!

hi, Do we need a Amazon Business account or will a normal one work

Donald

50 individuals that have interacted with me over the past 33 years have committed to providing a review of my 1st book. I am going to send these individuals a hard copy copy of the book. How do I handle these reviews once received?

Donald

How do I figure out the cost to print and deliver my book? How do I establish the net to me?

Mike

I am trying to decide between two titles for my first 30K book. The first is "The Parenting Autism Playbook: Tips and Insights for Raising an Autistic Child Even if Every Other Method Has Failed." The second is, "The Parenting Autism Survival Guide: Proven Strategies for Understanding Your Child's Autism." I really like the first one, but it seems wordy. Which title would work and give my book the best chances for success?

Please check if these topics have poc

1. AI artificial intelligence for dummies
2. Business analytics

I know nothing about business analytics. Even if i research i will not get what experts know. So will i make a hteat topic on something i have zero knowledge about

Lief

I am wondering about POC. I am looking at Python Programming as a topic. Would I just search that topic or would I niche it down to Python Programming for beginners? TIA

Kurt

Hi Coaches, Please comment on Topic, Sub Topic and Description. as follows:

History and Practice of Stoicism: A Practical Guide for Parents, and young adults from age 14 to 92

There is no single book which covers beginners in all stages of life ranging from Early Childhood/Parenting, Early Adult from Student to Working, to Family Life and Retirement, but there are at least 3 books having POC in each of these sub-niches. A lot of the books in these categories are making BIG bucks on small reviews.

Note: using the beta ai. This will be my first 30000k book. Only fear is that 20 chapters created by the ai may be too many words. Will cross that bridge once manuscript is created.

Thanks for thought/feedback and Cheers!

Sue

I have been an AIA student since 2021, but unfortunately several changes in my life made me postpone my project of writing a book. Fortunately, at the end of this year I am able to complete several modules of the course to start 2024 on the right foot. I must have missed some information from the Twins regarding the 7 Day Challenge. I didn't find this module that was previously in my course. Please advise. Thank you.

Emelisa

I finished the 7 Day Challenge that took me to a topic that I'm truly excited about. I got so involved that I kept writing instead of ending my 7 Day Challenge work. Now, I've written up to 20,000 words, and plan to add about 15,000 more words in the following couple of weeks. The problem is that I haven't created a solid plan for my writing. I just kept going with the idea from the 7DC. What do I need to do now with my manuscript. Should I hire someone to do the editing and formatting. or go back I do the book outline?

Emelisa

Is ChatGPT by AI-Pro the same as Chat Gpt 4?

Linda

If I'm writing my own book about my life, do I need to ask permission to use people's name in my book? I'm using mainly only first names & using words like sister, brother, aunt & uncle. I don't want to use names of family unless necessary.

Mel

My book is in the process of being written however my ghostwriter is almost at 30k words and still has a few more chapters to cover. Is it ok if it ends up being a 40-45k word book or will this be a disadvantage to me?

khedija hafsi

Shirley

First of all I am excited to have joined AIA. I have several questions. Which of these are included for no additional cost, or if there is a cost for them, how much?

1. What is the cost for a private review group?
2. Is there a cost for 100 proven topics?
3. What is cost for ghostwriters?
4. What is the cost for the Low Content Kick Starter?
5. Is there a cost for the Tech & Computer 101?
6. You talked about tax saving secrets, is there a cost.
7. How much does it cost for a monthly subscription to publishing.com online materials?
8. What is the cost for the Publishing Accelerator program.

Richard Kallenbach

I am a retired attorney. In the section talking about a one-man LLC, the twins gave terrible advice. A lot of it was just plain wrong and some of it was terribly misleading. How do I trust the advice they give in areas I am unfamiliar with?

Richard Kallenbach

The twins speak too quickly and often not clearly. Why did they not follow their own advice and hire a professional to do the audio? It doesn't inspire a lot of confidence in them when they don't follow their own advice.

Tammy

I completed my 7DC book called "From Shelter to Home: Navigating the path to your ideal rescue dog." After publishing it, I went to search for it and discovered another book called "From Shelter to Forever Home: A Step-by-Step Guide to Adopting and Caring for a Rescued Dog". I did not find it in my original search for books on the subject because I must have just been searching for things like how to find a dog. Is this name too similar? The weird thing is that even though the other book is titled "From Shelter to Forever Home...", it shows up as "From Shelter to Home...". It doesn't have the word Forever. Do I need to change my title?
