FYI

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

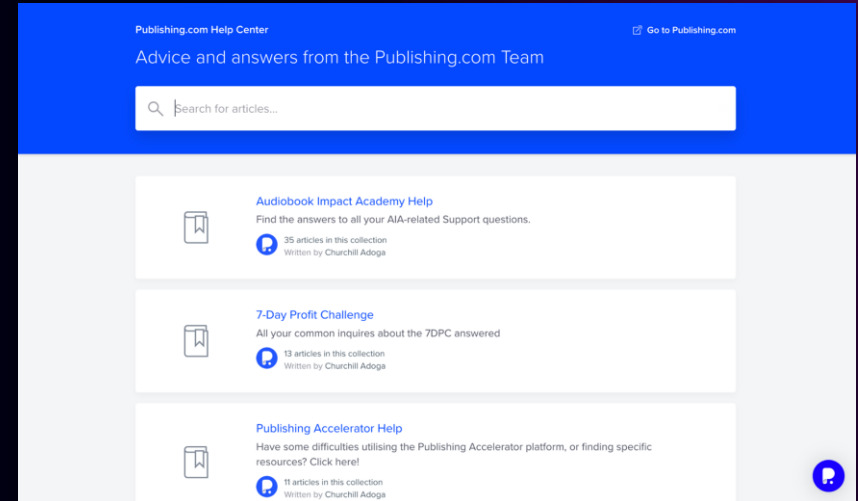

Most Frequently Asked Q&A Questions:

- Account related (resetting password, Facebook group, etc.)

I am brand new to AIA, just started going through the modules and completed Module 1 + low content kickstarter. When I went to the FB group to search for the AIA members' experience regarding low-content books to start with, I saw several posts of accounts getting banned and people don't understand why. Can you be banned for posting too many books in too short of a time?

Any advice for someone new starting out to lower the chances of this happening? Now I'm freaked out!

Claudia

Can I publish my book and just continue to build on reviews gradually? I haven't been able to get enough early reviewers for my book. I've joined all the Facebook groups I can find on the topic and most of them didn't allow me to post in the groups. I tried the ads but didn't get any reviewers from them too.

I have about 30 people from a few groups on my list. I've many joined more groups even moving away from my topic, just to get more groups to join but it didn't get me any more reviewers. I'm stuck, please help. Thank you.

Pen Name: How does it work in terms of getting to know you.... for example when your asking them for a review or writing an "about the author" in the book or on the cover. Wouldn't adding about the author personalize it for a review. I'm new to this :)

Hi! I'm just looking for feedback on the title of my book. I did my keyword research and believe I have some great keywords, I'm just not sure if the sub title is too long or if the title isn't informative enough. Here it is:

Title: 13 National Parks! One Epic Roadtrip!

Subtitle: The Ultimate guide to planning an American Southwest National Park roadtrip from Big Bend to the Great Basin and everything in between.

RE: Copyright

Hi, Do you have to get copyright certificates for low content audiobooks when you claim them onto ACX ready for narration? They are meditation scripts, just published as Ebooks on KDP with the "this is intended for audio consumption only" description. I have copyright for my 30K book but wasn't sure if you need to for Low-Content? Looking at the form, it looks like you have to! Is it the same process as with the 30K book?

Thanks for all your guidance - very much appreciated coaches :)

How do contact people who "Like" my Facebook ad rather than send a DM with "Book"?
I've tried to search each name, but many people have the same name and I don't know which one of them hit "Like"?

How can I make my attachments to Messenger messages viewable to each receiver of my message? Some people who respond to my Facebook ad can "see" the attachments when I respond to them. Others see no attachments at all. I have zipped the pdf book file, so it's not too big to attach.

Carol

I see quite a few current authors have published spiral-bound books on Amazon.com along with Kindle, hardcover, and paperback. How can I publish a spiral-bound copy of my book on Amazon.com?

Shari

Hi Coaches, I'm 12 days out from my book launch and it is going well. I have 198 people on my review list. I have gotten 46 reviews so far and am still rating in the top 100 in Kindle in 3 categories.

Customer Reviews: 4.9 out of 5 stars 46 ratings.

I have hired my narrator for the audio book.

My question is about the next book. I have POC on an activity book in my niche. Is this something that a ghost writer can put together or something I should do myself? I'm hoping it can be a ghost writer because my time is better spent doing the marketing. If I can give it to a ghost writer to do, is it too early to get started?

Thanks for your time and your great direction.
