The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

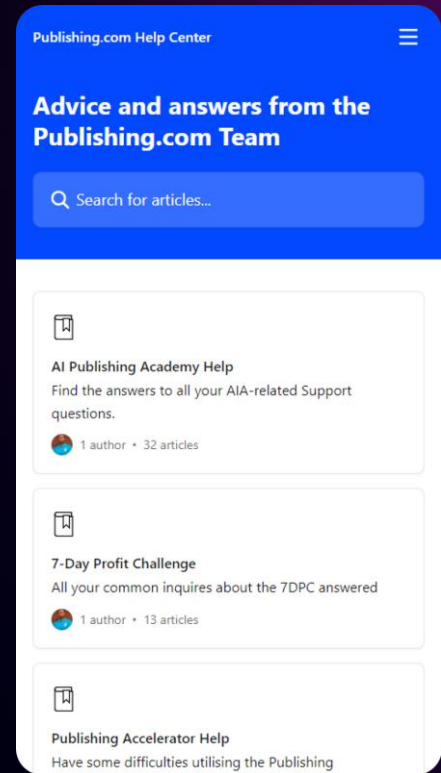

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi Coaches, I am 99% sure I have nailed down my POC with the KDP process. I watched the module several times. To ensure I did it properly, there are more than 4 books with around 100-150 reviews making over 499\$. That is the accurate process? Plus it is a topic I am very well versed in. (it took several tries!) Thank you! Elizabeth

Hello, I will be publishing my 1st book in the next couple of days and have a question.

1) Is it advisable to get an ISBN number independently before uploading a paperback book on KDP so I can use that ISBN number for other companies like Ingram Spark in the future? If so, do you have a recommendation for the best source to get a new ISBN?

2) Can you please share the pros and cons of not getting an ISBN independently vs getting one auto-generated on KDP along with the ASIN?

Note: My understanding is that automatically generated ISBNs on KDP can only be used on Amazon KDP and are not universal.

Thanks,

Pai

Hello, what is the best way to have a coach review my book topic and confirm this is a good one to pursue?

Destiny

Would a topic pass the Proof of Concept test if 3 out of the 6 books were "workbooks" based on 1 of the 6 books. These workbooks have different authors.

Cannot find the items in the Module 2 to do list. Where are they?
