OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

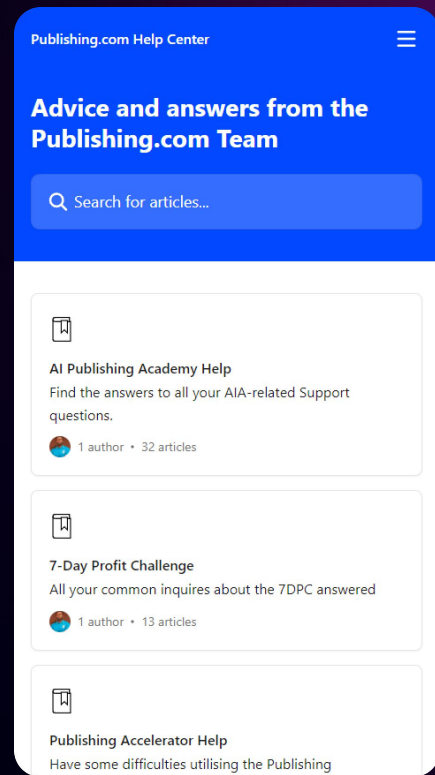

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

My working title is "Mental Health Guide for Men: Heal your mind with Exercises, Techniques, and Tools for Anxiety and Depression" Any suggestions. There are two books on the market which use, instead of "Guide", "Journal" and "Workbook". Is my title distinct enough for the Trademark rules?

Daniel G.

Hi Dani and coaches... Can you talk and do a sample use of the pub.ai for topic research before taking it to POC?

Robert D

Please can you confirm POC of the keywords: "herbal remedies for beginners". And your thoughts on the title "A Beginners Guide To Herbal Remedies: 30 Plants to Take Charge of your Health and Save on Medical Expenses", thanks

Charles Murdaugh

I have found two topics that met POC and they are related so as to create a bundle. The course says not to proceed without consulting with a coach, so the topics are: AI for Beginners and Creating AI Agents

Which is the best Book Title for My book on Building Resilience?

1. The Resilience Blueprint: How Anyone Can Build Unshakable Confidence, Strong Relationships and Thrive in Any Situation
2. Resilience Unlocked: How Anyone Can Find Their Inner Keys to Confidence, Improved Relationships and Mental Strength
3. The Resilience Blueprint: Break Negative Patterns, Cultivate Confidence, Improve Relationships, and Unlock Mental Strength.

Anna Hamann

I am a month into a program, have selected 5 topics, that I think passed POC, could you please approve them: 1) guide to homesteading ; 2) greenhouse gardening for beginners ; 3) companion planting for beginners; 4) rental property investing; 5) financial literacy for young adults.

Then the first 3 of my topics are something I like to do a book on, but some of the books in my research on those topics have color printing, but I'm not sure that they all do have color images, but I guess for a beginner to be on the safe side I should not pick those.

I talked to someone about coaching a few weeks ago. He said he was going to send me something to start with and to stop doing the regular course, but not sure I ever got it. what's it called?

Cathrine Berg

Hi coaches,

I would like to know your opinions on if my first draft of the book title and subtitle will work?

EMOTIONAL INTELLIGENCE An important piece of the puzzle

A Collaborative Approach for Home and School Success

Planting Seeds of Empathy & Nurturing Emotional Intelligence in Young Minds

Gives practical value by specifying important aspects like empathy, resilience and expressing emotions in a healthy way which are central to emotional intelligence.

Debbie Rutkowski

Chat GPT is telling me that my titles are too long. I have whittled it down from 156 to 99 characters. Please review:

Self-Love for Women: Discover, Heal, and Transform with Practical Steps for Inner Peace and Confidence (101)

Self-Love for Women Find Inner Peace, Heal Emotional Wounds, and Transform Self-Doubt into Strength (99)

Self-Love for Women: Easy Practices to Heal Emotional Wounds, Find Peace, Overcome Doubt, and Achieve Growth for a Joyful Life (126)

2 longer titles to follow

Debbie Rutkowski

Chat GPT says these titles are too long. I submitted shorter versions earlier

Please review

Embrace Self-Love for Women -Find Inner Peace, Heal Emotional Wounds, Transform Self-doubt into Strength and Achieve Personal Growth and Self-Acceptance (138)

Self-Love for Women- Easy Practices to Transform Doubt and Embrace Inner Peace, Heal Emotional Wounds and Achieve Personal Growth and Self-Acceptance for a Joyful Life

Can you please give me some feedback on the following 2 Titles and Subtitles:

Title: Master Machine Learning

Subtitle: Insights, techniques and Best Practices to Build Intelligent Systems for Tomorrow for Everyone.

Title: The Ultimate Guide to Machine Learning

Subtitle: Effortless Steps to unlock data for Intelligent Solutions & practical techniques for Everyday Innovators.

still finding my way through the materials post on-boarding - am looking for the video that I need to watch before my next meeting with George T. A link would be helpful, thank you

Claire A

When my manuscript is generated, are the References formatted in a manner that still requires editing on my part?

Gabriel Varaljay

I've noticed that as a UK Amazon user, I need to switch to the .COM site and spend \$50 to leave Kindle reviews. Most of my network is in the UK, and they're unlikely to spend \$50 just to write a review for my book. When publishing a book, the primary market is set to .COM, but this makes the Kindle version unavailable in the UK. How can I find a practical solution to gather reviews and ensure the Kindle book is accessible in the UK?

Dan Priest

How and where can I access the Topic Research Sheet with active links

Dan Priest

Customer research:it would appear that you can enter more than one ASIN code, is this correct and will ai summarise all the ASINs you enter

Dan Priest

Publishing Assistant:says that you'll need at least 4 generations. What does that mean exactly and how are the generations used up even when you are just trying different topic ideas

Valerie Bazar

I'm having trouble finding items to complete my module 2 To-Do List.

Where do I find:

*the topic research sheet?

*the AIA budget tracker?

Thank you.

I would like some advice on a book title Topic that met POC: Teens and Money

Title: The Stress-Free Guide for Teens and Money: Develop Smart Money Habits, Conquer Overspending, Learn to Budget and Save, Avoid Debt, and Build a Strong Financial Foundation for Life

If you have time, here's a slightly different version of this title:

The Stress-Free Guide for Teens and Money: Master Essential Money Skills, Overcome Financial Stress, Avoid Debt, Build Independence, and Save for the Secure Future You Deserve

Thanks for your help!

Claire A

Let's say I generate 2 customer research reports. Can I add something from the first generation to the second generation? And, then get a book outline based on the enhanced second generation?

Asia J

Hi coaches,

I've gotten a lot of useful feedback in perfecting my title and I've been tweaking it to incorporate it all. It was also suggested that I put it on a cover for visual reference so I started designing one. I'm asking for feedback on the title but feel free to add any direction for the cover as I only started playing around on ideogram.

Thanks!

Hi Coaches, You helped me choose this title and subtitle a few weeks ago.

Anxious Attachment Recovery: 11 Life-Changing Steps to Break Free from Trauma, Reclaim Confidence, Cultivate Emotional Intelligence to Build Secure, Lasting Relationships (172 words)

Somebody cast doubt in the Facebook group that there should be "and" between confidence and cultivation. ChatGPT thinks it's fine either way. Can you please give me your final verdict? Should it be like this?

New Subtitle

11 Life-Changing Steps to Break Free from Trauma, Reclaim Confidence, and Cultivate Emotional Intelligence to Build Secure, Lasting Relationships

Thanks.

Dorothy Love'll

Hello, I have 12 covers that I would like feedback on. Many are of the same style, just color or tweaks here and there. A few are similar and there are arrows identifying the changes. They are all numbered. Can I get the best three and tell me what I need to do to get one of them for my cover. My manuscript is ready to go! Thank you in advance. ~ Dorothy Love'll.

Hi coaches, my aim is to write a book on the topic Emotional Intelligence for families and school. Can you have a look at my three trials below, thanks!

Nr 1: Growing Emotional Intelligence Together

A Collaborative Strategy for Success at School and Home Create Empathic Connection to Achieve Steady Learning for Lifelong Success

nr 2: Encourage Emotional Intelligence

Learning emotional regulation empowers families and students to thrive with emotional behavior and prepare for life with easier connection to others.

Nr 3: Develop emotional intelligence in young minds

Promoting EI influences development and can lead to a more empathetic inclusive collaborative climate in both school and home
