There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Hi Coaches, can you please review my covers please! Other question, what sort of changes I can do to my cover design once the contest is finished in 99designs? Can I still change the image once I have chosen the winner?

<https://docs.google.com/document/d/1wi7U45s3BJ5FM3p9vLJoWLoH0PiY7tWnAMgoCovHcEo/edit?usp=sharing>

Jacquie Doucette

Please ignore the request I made for a review of my cover designs. I've decided to change them.

Are there any categories on Amazon with a higher chance of profitability, and would you avoid coloring books? Thanks.

CHARLES KENDALL

Hello I have spent two full days trying to download that program KD spy I understand it is supposed to be a very important program but I was very unsuccessful in downloading and I'm so exhausted trying I must have spent almost 30 hours working before the computer so I'm afraid that I probably won't be able to continue if that program is is required program which is I'm sure it is is very disappointing.H I talked to the people at publishing altitude company that produces a program and they were unsuccessful in helping me but it is very very disappointing I missed a couple of calls I'm sure because I was too focused on getting this program up and running I think I will decide in the next day whether I will continue or not it just seems fruitless at this point

Hi there, I'm keen to find out how best to optimise the account, how to set things up properly and position myself to maximise my profits, along with combining these publishing / books and combine it with previous books I have written, e.g. bundles. I'm wondering how to set this up properly. I have previously been ripped off by publishers and want to make sure all of my profits are coming back to me as much as possible and to tie it all up in either bundles, topics and/or work in with the serious publishing works I've done in the past. Thank you.

Myrna

Hi Coaches, I love your Q&A and although I am only 3 weeks into the AIA program, I've learned a lot by listening to your coverage, so thank you!!!

My question is as follows:

I have POCd two topics I will be bundling together after publishing my first book. In my research/output process using Publishing.AI, results came back with some "COMMON PAIN POINTS". I attempted to resolve those common pain points by finding books on Amazon that covered those same issues/pain points. I then added these news ASIN/ISBNs to my original list that met POC. Was I wrong? Did my doing so dilute the process of your AI? I couldn't think of a roundabout. Suggestions?

Thanks again!

-Myrna

I have edited my outline; I am ready to move to the manuscript. Do I create my introduction and conclusion as well or will AI do them both for me? Thanks

Natalie

Hi, question about categories and KWs when setting up the 3 versions of your book. Would you try and get 9 different categories across paperback, ebook and hardcover? Same with KWs, would you use different keywords across the 3 different formats so that your book is getting picked up 21 (7x3) searches? Or would you use the same KWs across all formats of the book? Thank you!

Hi Coaches,

I would appreciate your guidance on the recommended frequency of Audible reviews per week to stay within safe limits. I've been offering reviews on IOU and have reviewed six books so far, some of which I purchased myself and decided to review all at once. While I aim to be helpful, I want to make sure I'm following Audible's guidelines regarding review frequency to avoid any potential issues.

Thank you very much for your advice and support.

Hello Coaches. Please explain how 99 designs works, and do you recommend I hire a designer instead of posting a contest? Previous Q&A calls mentioned a cost of \$199 for a cover with 99 designs, but I see packages starting at \$299. is there another way, or did prices go up? Thanks so much!

Ayesha Ikram

Dear Coaches,

I have finally decided to let go of my fears and take the first step toward creating my first 30k book. I've crafted a few title options using the training materials and ChatGPT prompts, and I'd love your help in confirming my POC. Here are my top three title suggestions—please let me know which you feel is strongest. Thank you for your guidance and support!

1- Container Gardening for Beginners: Step by Step Guide to Growing Vegetables, Herbs, and Flowers in Any Space, From Plant Selection to Harvest, Perfect for Urban and Small-Space Gardeners. (main title meets POC, please double check)

2- Container and Raised Bed Gardening for Beginners: Step by Step Guide to Growing Vegetables, Herbs, and Flowers, From Plant Selection to Harvest, Perfect for Urban and Small-Space Gardeners. (main title Lacks POC with 2 profitable books)

3- Container and Raised Bed Gardening: Step by Step Guide to Growing Vegetables, Herbs, and Flowers in Any Space, From Plant Selection to Harvest, Perfect for Urban and Small-Space Gardeners. (main title meets POC, please double check)

Scott Marcum

Hello all, I am about ready to publish my first 30k book! I am working on getting reviewers with networking and Pubby. I'm not sure I'm comfortable with how to get Facebook reviewers due to the rules on the groups I've joined. However, that's not my main question right now.

I have quite a few snaps on Pubby, and I'm about ready to learn how to use them. I also need a little time to 'follow up follow up' with the network reviewers I've collected. I keep asking them to wait until publishing or launching my book and that they can purchase it for \$0 when I promote it. I'm confusing them sometimes that way. They feel I am asking them to wait until I do something. They're trying to understand what I mean.

I need to publish it in all three formats. Kindle, paperback, and hardcover. Once they're all published, I feel better about letting them know that it is now published and ready for review, but to wait until my promotion date. When I publish it, is that when KDP does the algorithm of giving your book a boost, or is it when you start the promotion to sell your book for \$0 that they give your new book a boost with their algorithm? Before doing your promotion, how far ahead of time should you do the publishing? Does it matter very much? What if the time after publishing is much longer than expected before you do the promotion? I haven't heard anybody ask this question or address this issue in the training or recordings.

Please let me know your thoughts or tell me where to learn more about this. Thank you  PUBLISHING ACADEMY

Frank Dunnigan

Hello,

I decided on a Nov 1 (this Fri) book launch for my very first book, but I'm still confused as to how it works in the following way: If I launch my book on Fri with no QR code or hyperlink for the book review page, How quickly can I get the book review page to be active with a hyperlink and or a QR code? The reason I ask is that I have my circle of friends that are going to download the e-book or order paperback this weekend but they won't have a link or a QR code to give me a review. Should I launch the book this Wed Oct 30? That would give me a couple of days to get the QR code and hyperlink in there by November 1? Or do I launch the book on Fri Nov 1 and tell my friends not to order the book until Mon Nov 4? But how would that work with the free 5 day trial that Amazon allows me to do? I'm a detail oriented person and I wanna know the specifics of how this works.

Sincerely,

Frank Dunnigan

Greetings coaches,

I have a dilemma with Facebook. I have my account saved on my iPad and iPhone but not my computer. I forgot my password. I saved it and wrote it down in notes and locked it, but can't login to my Facebook account. Can I do my Facebook posts off my iPad, or do I need to make another Facebook account (which I don't want to do)? Please help?

Hi! Question, I had my niece, an excellent illustrator, create two images for the inside of my book. Do I submit those embedded illustrations to Publishing Services inside my draft? Additionally, Q2 - Will Publishing Services format the whole table of contents if I do not do it? (I did it for my first book). Sending my manuscript tomorrow to Publishing Services. Thanks!

Tarcisio

[Cover Intervention] Hi Coach Karina and Coach Brian, I would love to hear your thoughts on the cover of my first 30k book. It was published in June 2024. I reached 100 reviews this week, but Amazon Ads is not performing very well. I want to check if there is any problem, in your opinion, with the book cover.

Thank you so much for your help and time!

Lauren and Coaches - After I generated several versions of my book title outline, I saw that the information is detailed and good and should be covered in two books. So, can I use one outline for a book and a different outline for a second book? You are appreciated: thank you.

Hi coaches, I've got an ad question.

I've set up 3 product ads 3 weeks ago and they have 0 to 15 impressions. I've raised the bid every few days and I'm now much higher than I normally do for product ads and still nothing. Do you know why this is happening? I've never had that before.

What should I do? Archive them and start again?

Dominique Ekong

Hi again! Can you please review my new book covers and let me know which of these you would recommend? Thanks!

Hi Coaches can you please give feedbacks on my book covers. So when can I request the Ai / Psd file ?, once I have the final design ? Is this the only file I need in asking for my other book covers on fiverr?

Elaine Kramer

Hi, Coaches! This question is for both of you. Do you run ads on your low content books or just on your 30K books?

Eli T.

Hi Coaches, Hope you are all well! My book cover designer in 99designs use (.INDD) source file for my ebook Cover. Is it possible to ask for my other book cover designs with this type of source file on FIVERR? Or should I need to ask for AI/PSD format of source file from the designer? Any advice please..
