OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

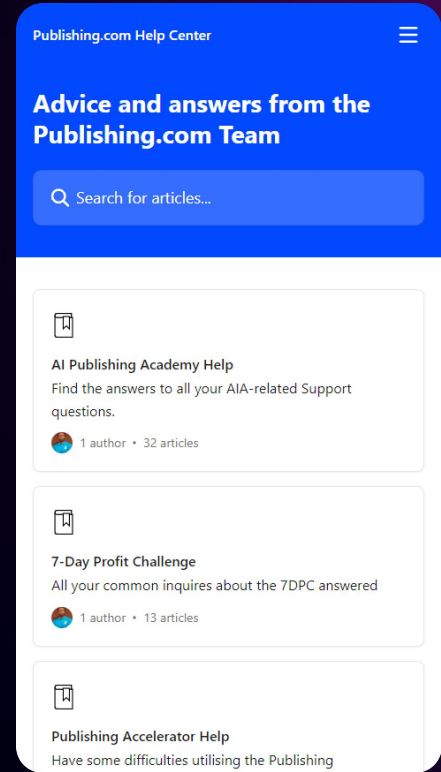

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

In terms of best formatting for keeping page numbers down, is 1.5 spacing and 12 point font the best? What about paragraphs? In my day we indented. Is the current trend no indents but an extra line between paragraphs?

Is it absolutely required to be in incognito mode when researching book topics and doing proof of concept?

Kimberly Thurman

If I have uploaded the manuscript for the ebook/kindle why will it not take it for the paperback?

Help with issue on uploading my manuscript for the paperback, I have already done it for the ebook. I also watch a video on flattening the book- it messed up my text and still would not load.

Bhuva

I have POC for a topic . In that topic 4 books are passing the POC but two of book interior has few color images . but there is one solid book completely black and white with less reviews making revenue of 1000 dollars . How can we go about it.

Daniel Baijal

Hi coaches, I'm confused about the launch process regarding timing. If I have a scheduled release date for my paperback, how do I get my ebook to be live simultaneously, as KDP says it can take up to 72 hours after you hit "publish" for this to happen? Thanks for your input.

Bernadette Fischer

I've previously submitted potential subjects of interest that kept missing the mark. I'd appreciate your help in guiding me toward a topic that meets POC. These are new ideas that I'd like to explore around money, target audience: adults.

How to sharpen your financial intelligence, or
Money mindset mastery for adults, or
Smart money skills on your way to adulting

Thank you!
