The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

What steps do I take to make my existing book generate income. It is on Amazon paperback and Kindle.

How, where do I submit my cover to you for feedback in Q & A

Eduardo

I am still trying to understand all of this, I am watching all the videos recommended. What else do I need to do in order to start with my publishing?

Lynda

I've gotten off track with my focus on my 7DC book, and JUST re-started a 10k book as per the Twin's lessons. I started writing a 30k book just because the subject would be helpful to me, personally. Irony = Writing a book about ADHD, but my own ADHD brain loses focus and keeps forgetting... SMH

I just finished the video from module 5 sub-lessons about professional video reviews I am having a hard time reconciling that this is not paying for reviews. Clarification please.

Hi Tuesday coaches

My title has POC.

I rewrote my subtitle based on your input on a recent Q & A.

Please let me know which is better and if you have any suggestions. Don't hold back :)

2. Raised Bed Gardening for Beginners:

thank you

I'm wondering if there is such a thing as market saturation? One of the topics I found POC for is public speaking for adults. However when I look on Amazon there are dozens of books on this topic and even when I did my customer research report on AIA it stated that it was a crowded market. Im not sure i should poceed with this topic. Thanks for any advice

shereen

please suggest any alternative colors as i can tell my designer for the phrase,' FOR BEGINNERS'

Elina

The book topic that I am looking into is on ANXIETY for adults, and from the customer research, it is recommended that it comes from an authoritative author or scholar or physician, which I am not. Wanting to get some advice on whether this should deter my topic choice or surge forward. I am also intending to narrow it down to target women going through life transitions (divorce, losing jobs, menopause etc) who are suffering from anxiety. Would appreciate any input and/or advice. Thank you

George

Hi coaches. It's been 12 days since I requested Pubby to look for readers for my book with zero results. I contacted Pubby and they gave me this answer: "At this time, the average wait time for books to find a reader is under 3 hours. However, this can vary by the topic of your book." What's up with Pubby? I've earned a lot of Snaps and they are ghosting me. What else can I do other than continue writing to inform them that they are not getting me readers and beg them to put my book on their readers list? What should I do to get them to do their job?

Eli T.

Hi guys, can you please review/give feedbacks with my book titles?which one is better, any tweaks advice?

Hi coaches! I would like to know your first impressions of my 5 covers. I tried several fonts with samples for background colors.

Hi coaches, I hope you are well. I am working on children's colouring book. Any ideas of any software I could use for creating flaps in the book? Thanks . Gloria

Justin

Im on my 1st book. I have completed the outline step using publishing services. I now need the manuscript written, however, Id like to use the publishing.ai tool to do that. It seems that I cannot use my current outline if I want to use the publishing.ai tool, because publishing.ai will need to use it's own generated outline ... meaning, I can't upload my current outline to it ... Isn't this correct ?

If I am very pleased with my existing outline, do you suggest just going with a ghostwriter and skipping the ai manuscript for now ? And if so, do you think this may cause issues with books 2-5 in the series if I want to utilize the ai tool for those ? Thanks

All from 99Designs. Set up a contest- 183 submissions from about 10 designers r-WOW!. Ran the best ones thru a focus group a few times to wittle it down to 3. Fun experience! Now need to pick a winner. I look forward to your input! :) FYI- 3 covers on page one are up and down. Same 3 covers on page 2, side by side.

Can you tell me about manuscript credits? What is it actually and how it works?

Hi Coaches,

I received a question from the copyright office. They are asking if "Adria Publishing" is my fictitious pseudonym for my name or a real organization.

In my case, Adria Publishing is both my pseudonym and a prospective business.

How should I respond? Do I keep it simple and reply it's a pseudonym?

Will this matter once I establish my LLC business?

Thanks!

Elizabeth Rene

For TAYLOR - More of a comment - Thanks for the coaching! I was wrong. There is ONE book with the same main title as mine :-(. Not sure how I missed it. However, on other calls, listening to other coaches, we should still move forward since it made POC, and just be spectacular with the cover, description, reviews, etc. (I am hoping to be on the call but if not I wanted you to know!)

Janet C.

Hello Tuesday coaches!

I am in the process of sending my 30k book to QSA & I now have 207 FB emails of people that want a free copy! Do I send them their copies now? What kind of comment do I send along with the free copy? (I haven't asked anyone yet about giving a review). And how do I send it to them? Through their emails-right? And how are they gonna give a review if my book isn't even published on Amazon yet? I'm very confused about the timing of all this FB stuff. And when do I start adds? FB adds? This is considered paid marketing-yes?

Thanks so much for your patience with this as it is DEFINITELY the hardest part for me!

Silvia

Hi Coaches!

I'm curious, how would Amazon know if one of our friends or family leaves a review? If we don't have the same last name or IP address, and if we have not sent anything from Amazon to be delivered to them, how would they know?

Thanks,

Marcin - 2 Questions in 1

Making your book visible: lessons say wait 15 reviews before you can start ads. I have a formatting Team that can start ads immediately after click of Publish button.

Facebook page: when should we start it assuming book is about to publish, also unclear about the page itself, is it about book itself, author, domain, etc. pls expand

Devijayainthi

When I signed up I was told I will get one time ghostwriting for free. Also will there be anyone to review our work as we are move forward?

Linda

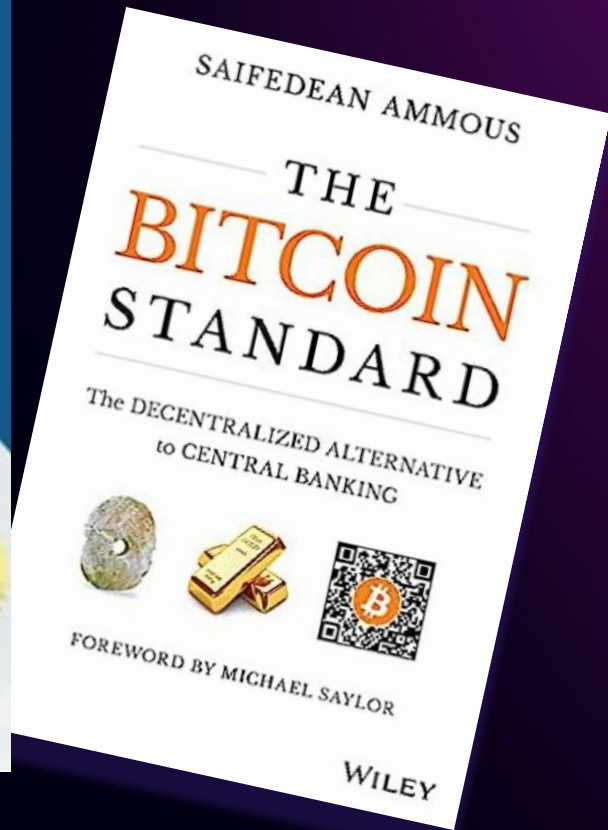

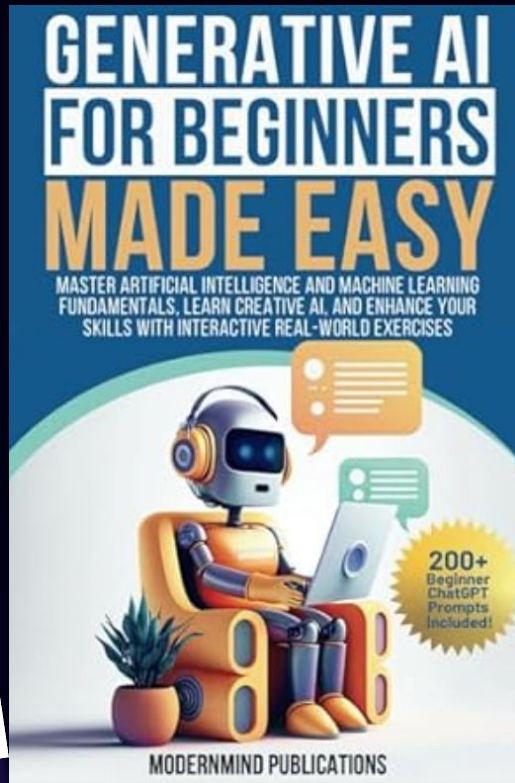

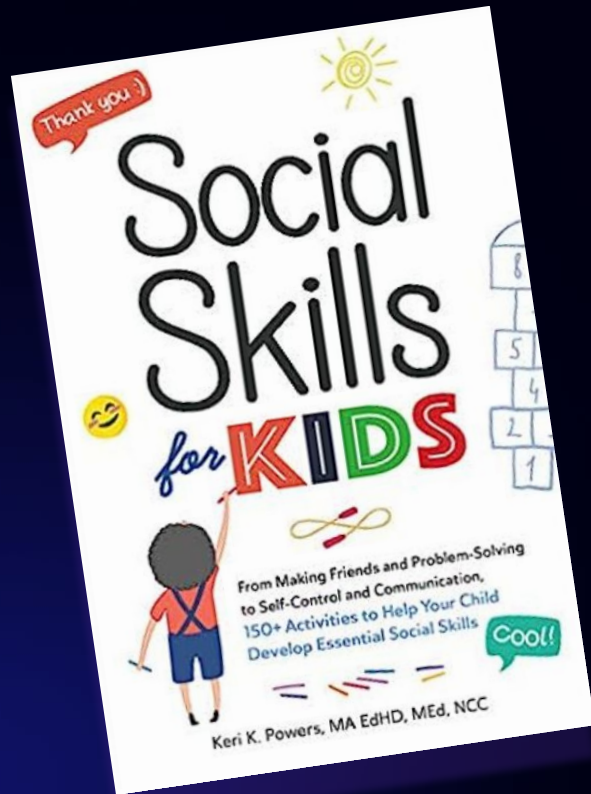

Pull my two questions. All my subtitles are too long as I did not include the title! My BAD.
