Hi Coaches, would you be kind enough to review my title: CRITICAL THINKING FOR TEENS: 5 Secrets to Manage Peer Pressure, Make Smart Choices, Use Social Media Safely, and Problem-Solve Like a Pro to Build a Strong Foundation for Life. (172 characters)

# Barbara Roll

Please evaluate my title - ideally, can we do this in the first 30 minutes? As I can only stay on 30 minutes? You may already have this title as I sent it in two days ago too for Wednesday's meeting and she said she would move title requests to today. Title:

The AI Social Media Strategy:

How to Use Artificial Intelligence to Simplify Content, Accelerate Growth, and Win Online

# Vivian Tan

Question is for Sunday, 3/30/2025, because this is not a question related to topic research:  
Success secret #3 is to publish 5 books with over 100 reviews. Would 2 books translated into 2 foreign languages be considered 6 books? That way only 200 reviews are needed instead of over 500. Reviews are hard to get, I think.

# Vivian Tan

The niche I researched came up with 10 books (not including audiobooks) that meet the criteria (150 or less reviews and \$500 or more in monthly revenue). The niche is Self-Help Christianity. Should I forego it because Religion is not recommended? Maybe my niche was too broad? Popularity and potential are green, but competition is red. Competition may be a big problem.

# Teresa Flanagan

Second part to my question about Trademarks My Trademark would be "Getting through the Tough Stuff:" so does" tough stuff" count or would my trademark, when I apply for it, include the entire phrase. Thank you again.

Just finished writing 7dpc book. 4800 words. I would like to have it formatted. Is this a good idea or not

# Eli

Happy Friday Coaches!!!

Thanks for all your'e hard work. I would like to ask regarding FORMATTING my first 30k book, when outsourcing for my book, is it necessary that you have all the parts of the book such as COPYRIGHT PAGE [official paid] & REVIEW LINK PAGE ? OR the edited MANUSCRIPT & Final book cover will be enough?

Other thing, I have been collecting FB reviews from Different groups on my NICHE, I have accepted in the groups but none of the Admins replied to my very friendly & professional script in asking to post my book on their page. Shall post it? or wait for the response? Any advice or alternatives of collecting Reviews coaches? I have registered in PuBBY and starting earning SNAPS but, it ,may take little while. How about BOOK BOUNTY?It seems like you need to subscribe to earn SNAPS/POINTS, is that right?

Any thoughts & advice will be appreciated. Thanks

I chose two book titles and tried to make sure they were unique. I did not find the exact titles, but for both I found titles like "Plan to Graduate : My Fancy Party Design". If I want to use "Plan to Graduate" as my title will that be accepted?

# Stephanie Bayer

Good morning! I have been having an issue with KDSpy and I think it could be user error. When I run it, regardless if I'm going directly from the left menu of links under "Book" or if I'm using a Keyword, the "Est. Mo. Sales" is appearing as blank or \$(blank) on the Books tab. The other tabs seem to work (Audibles, Kindle, All). What am I doing wrong?

# Fred Stuckmann

All too new, so nothing right now, plenty later.

Hi everyone! I've been here for 3 weeks and I need confirmation that the title for my 1st book is solid. The complete title is The Miscarriage Heartbreak Guide: Achieving Emotional Healing After Pregnancy Loss and Effective Ways to Offer Genuine Support.

Last question is, In the publishing that AI... under the section called ...Customer Research,... this column here where it says..... Enter: ASINs of similar books on Amazon, my question is, because this book is going to be three types of financial Sectors within the financial markets, can I put in a minimum of 3 ASINs here or can I even go as far as six ASINs 2 of each, Forex, Options & Crypto. Please advise here.

# Lucy Rebecca Foster

Greetings everyone. My question is while working within the 5-day Challenge should there be any inference between the challenge and the full AIA publishing program such as the Customer Research causing the screen to lock up?

# Sherry Verdel

My FB method didn't result in much. I'm now on Pubby. It went well for about a week. Now my book isn't being picked up. This weekend I ran the remaining 2 days of free promotion and tried Pubby again. Still no pickups. I've signed up for BookBounty. I've tried BookSprout & BookSirens. Now that my free promotions are used up & I can't send ARCs bc of KindleSelect, what are my remaining options? I'm at 9 reviews with 3 pending on Pubby. Thank you.

Hi Coaches,

I am glad to update you that my first 30k book, *Anxious Attachment Recovery*, went live in January 2025. I am currently running Amazon ads and have recently published the Audible title, which performed better than the eBook but was definitely an expensive investment. I am working on creating a series with other attachment styles, including Avoidant Attachment, Disorganized Attachment, and Secure Attachment. I am feeling a bit stuck. The market research doesn't provide sufficient proof of concept for *Avoidant Attachment Recovery*. Some books have combined Avoidant and Disorganized attachment into a single book, which is what I am considering doing as well. I am thinking of creating two more books (1 *Avoidant and Disorganised Attachment Recovery* and 2 *Secure Attachment*) but would welcome your input. Could you share your expertise and advise me on how to create it as a series? Thank you.

# Vivian Tan

Would a three-book bundled series, each book approximately 10,000 words in length, be a viable alternative to a single 30,000-word book? And then the three bundled books can be put together for Audible? If that's not allowed, would the increased number of books compensate for the lack of an Audible version (in terms of royalties)? If the answer is not known, no worries.

# Jim Knight

Ultimatebookformatting did a good job with my first manuscript. I tweaked my subtitle a bit, and now I'm waiting for the adjustments. My concern is that they do not answer me. Aside from the automated receipt I received when I paid for formatting, I have never been able to reach anyone regarding the status, etc. Currently, I am unsure if they have received my request to revise my subtitle, despite my emails consistently requesting acknowledgment. I am just waiting. Even an "ok" or something. I know they're busy, but I like communication. What is your experience and advice regarding this?

# Griffin Sampson 111

How do I edit content on my cover. I wanted to make the font larger on the title of my book cover, and move it further to the top of the cover. Thank you
