COP.

Hi I am about to choose of two topics for which there seems to be a POC ("Anti inflammatory diet for beginners" and "Healing herbs for beginners" I am trying to niche further down. Thank you so much for your help with this process, and thank you for your. amazing coaching sessions!

Hi coaches. In the last month since I selected my topic and received POC approval for "How to Talk to Anyone," there have been several more books published and this topic no longer meets POC. I'm thinking of now changing the topic to "INTERPERSONAL COMMUNICATION" - would you confirm POC for me as from what I see Interpersonal Communication is a much better niche and does meet POC. I would redo the work on Customer Research, but given the book Outline I currently have, I don't think it's a big stretch to make this switch. Thoughts?
