OPEN Q&A

Submit your Topic or Proof of Concept questions live on the call in the Zoom Q&A field. We will pick and choose the best questions to answer.

The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-paper edge effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

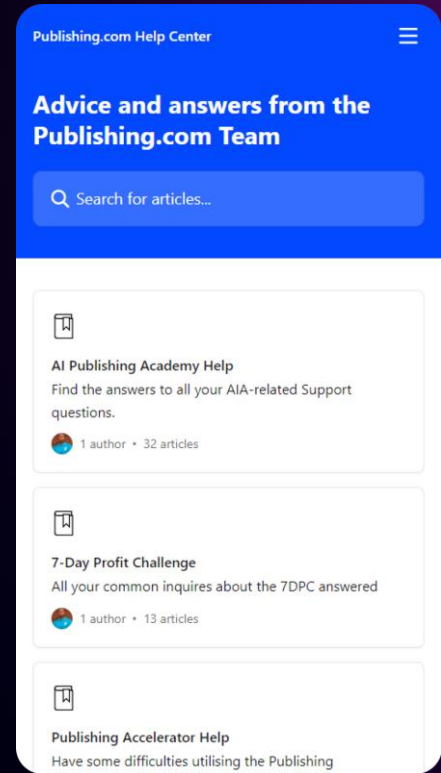

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

F.A.Q.

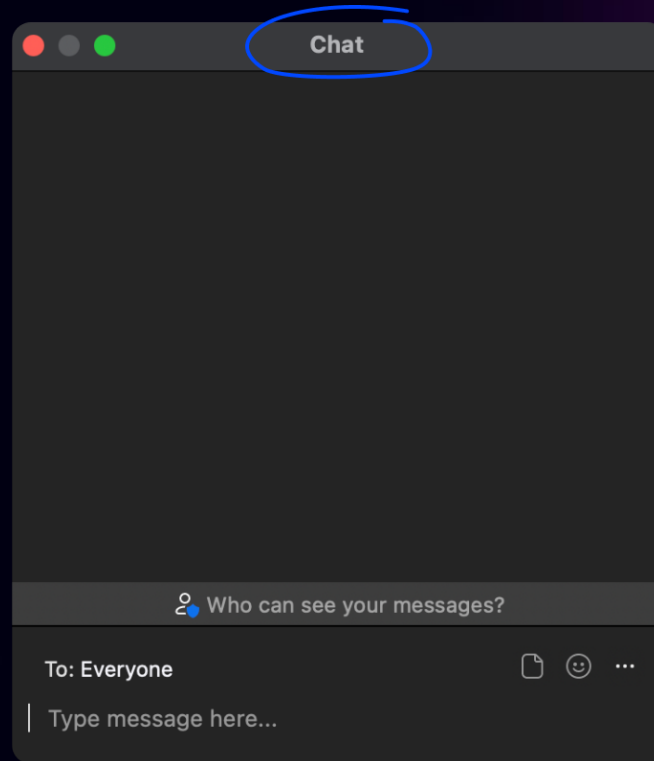

Visit our Help Center at help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

Emelisa

Please discharge the question I placed earlier, I already received an answer.

Michael Dahlby

Is it important to choose a book topic that makes sense as an Audiobook, a Kindle book, and as well as a regular, printed book? My book topic is "Chess strategies for Kids". I think this book will do well as a printed book, but probably not as an Audiobook or Kindle book. Is that okay or should I be looking for a different book topic?

JacSavage

I noticed that checking for POC in Amazon with KDspy is shown with SORT (on top right) set at FEATURED- which I believe may be those that give Amazon the most profit. Would to it be a good idea to sort by BEST SELLERS instead for our purposes? Am I in the minority that when I shop on Amazon I rearely look at items from FEATURED sort, which is basically what they want me to buy.

Natalie

Can you please teach a bit more in depth about topic research--such as--- is it better if rankings are lower or higher, bestsellers lists niched down, if category plays into keyword search, or your personal things you check beyond >\$500, <150. Thank you so much for these calls!!
