The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly textured, torn-paper effect.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

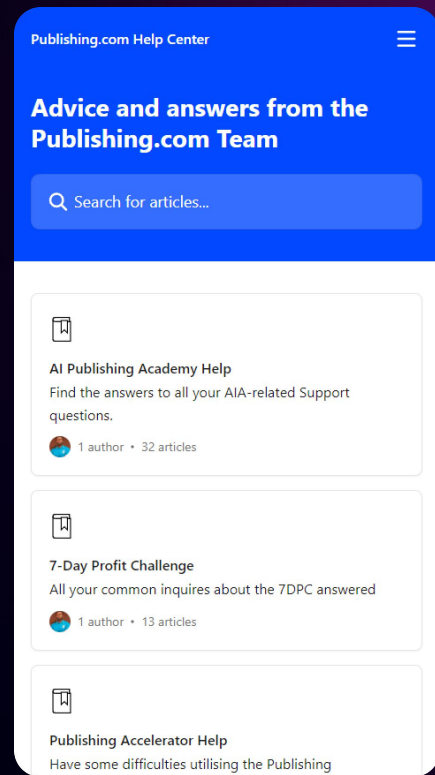

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I am using the same email I use for the university I attend. They recently made some adjustments and upgrades and I cannot download the AI tools I need to move forward with your academy. Should I change my email or get a different laptop? I mention the laptop because when we have proctored exams, it will detect the AI and delete it from my system. If I should go this route, what is the most compatible laptop with the tools necessary to complete everything?

I am a writer and want to write in part with AI. I also wish to be the narrator of my audiobooks. Please enlighten. Thank you.

During the ghostwriting process, the training module only mentions Urban Writers and Upwork. Is Fiverr not a good place to look?

I have my manuscript generated through ai but the content has a lot of repetitiveness in the chapters. There are 8 chapters. I'm overwhelmed with this. Would an editor fix all of this?

Ed

Hello beautiful people, I had my book on Amazon for 2 years now officially. I have only 3 verified reviews and know that according to the program, I need 15 before I can start running ads on Amazon. Every Facebook group admin(over 12) that I reached out to did not allow for me to post and I don't want to keep spending money on Facebook ads with zero results. How can I get those reviews as fast as possible?

George

Research

When I use Publishing AI to generate my outline it appears to give me a link for each main point. If I have 4 sections I will get 4 links. But sometimes that link is insufficient to write on the subsections. Should I inform and expect my writer to fill in that research or should the writer expect me to fill in that research?

Also, how do I get anecdotes?

Briana

Hi! I followed the Amazon Ads course and waited over a month before going in. At that point, I upped the bids a bit and continued to wait. I am not getting data in the ACOS section of any campaigns. Could I be doing something wrong? I want to follow the fine-tuning lesson but still don't seem to have that data. I launched campaigns on April 13th. Any tips for becoming acquainted? I feel I am spending a bit right now with not good results.

Hello guys,

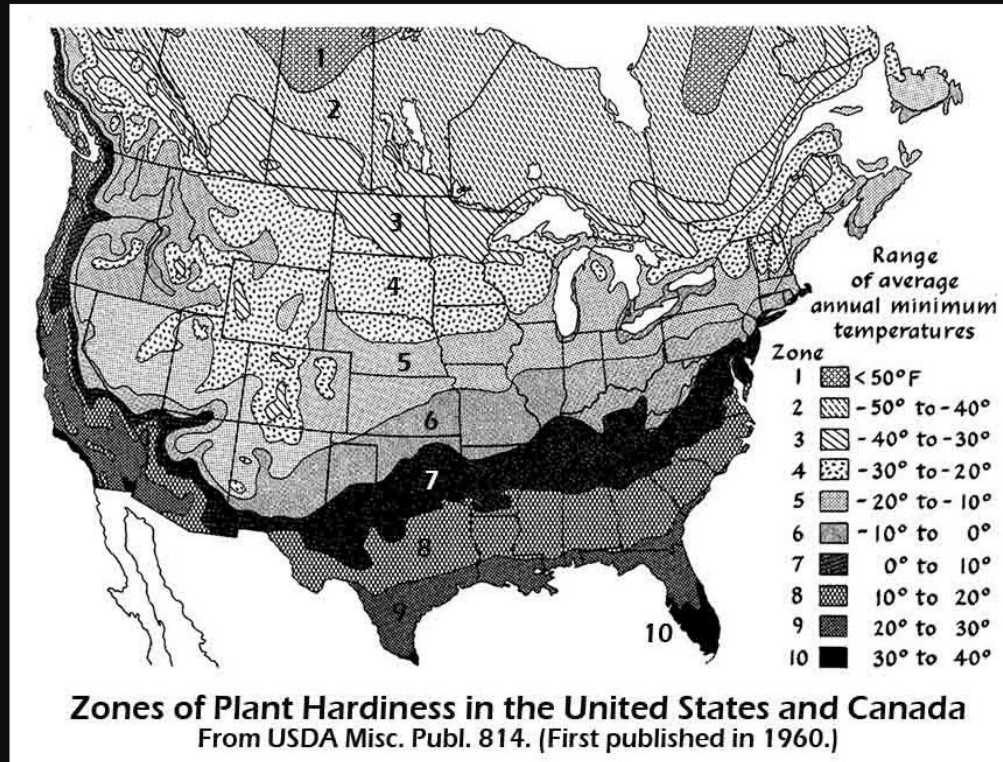

1st question is do I have to put Midjourney line drawing pics in resources? 2nd- when I check my manuscript for plagiarism can I send the whole manuscript over all at once or do I have to do it a chapter at a time?

Lastly, I added 2 maps (USDA HARDINESS ZONE MAP & US FROST SEASON MAP) to my book. I got them off of google and downloaded them as a JPEG image then inserted them. Do I have to add them to my resource page? And if so, how do I do that? I have sent a copy of the map here so you can see what i'm talking about. (I hope you get it...)

thanks for the answers! Happy Friday!

Hello everyone!

I haven't had the chance to jump on a call yet, but I look forward to in the near future. I'm writing a book in support of Black mother's breastfeeding. I'm going over the outline with the Ghost writers at this time.

My issue is ...I want a creative title like "chocolate milk" but after going through the training about book titles, I know that it should be search engine optimized.

"Breastfeeding support for African American mothers, An empowering nursing guide for black women." is what comes to mind. What do you think?
