The logo consists of the letters 'FYI' in a bold, white, sans-serif font, centered on a blue rectangular background that has a slightly distressed or torn-edge appearance.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

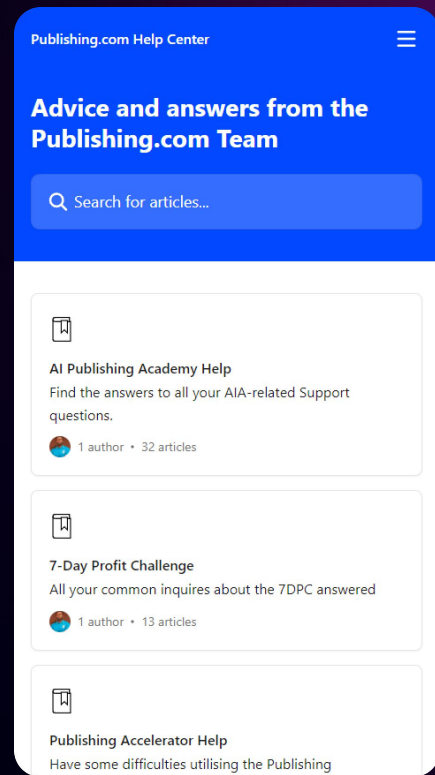

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

I am a newbie...should I finish/complete my 7day challenge before diving into my full length book?

Hi Coaches, I think I just set up my Amazon Ads account but the steps on the site are not the same as shown on the lesson, so I'm not sure if I did it correctly. For example, when I go to "Settings", in "Billings & Payments" I can only click on "Sponsored Ads Billing". Also, when I entered my account and credit card information, it copied it to all 8 countries. Is this right? Can you please go over this process live? Thank you.

I am editing my manuscript. I may have another editor look it over after I finish, but I haven't decided as of yet. Money is tight, and I have a writing background, so.....

Anyway, my question is this: I am saving the manuscript on publishing.ai, as it currently resides there. Is it safe there? Do I need to back it up, or do you have a backup system in place (much like web hosts, etc.)?

Samira Stefenhagen

Is the Lead Capture Form Facebook review method still relevant? (It isn't a video in the course but linked under the FB Ad lesson). I see that the video was recorded in 2022 so am not sure if people tried it and it didn't work out as they had hoped? But it sounds like a great idea that I'd want to try out if others recommend it. Thanks!

I have edited my manuscript twice and have moved it into Grammarly (the paid edition). My first chapter shows 75% of the text has patterns that resemble AI text. What is advised at this point? My goal is to obviously have the book successfully accepted for submission online.

I know what I wanna write about but can't find the title or readers that needs to be presented

I have two titles:

Mine=> with 2 solutions (ideas from competitor's titles) and I added 3 pain points from the customer research report.

Ultimate Survival Guide for No-Grid Living. With easy Projects for Self-Sufficiency, Energy Independence, & Ideas for Fixing Skill Gaps, a Realistic Budget & Navigating Legal Requirements
[186 characters]

This title was mostly conforming with the competition's title: QuickStart Survival Guide for No-Grid Living. With No-Nonsense Strategies to Self-Sufficient Living, Sustainable Food Solutions, & True Energy Independence. [171 characters]

Should I use the tried formula or go with my slightly different one based on customer research?

can you confirm the topic "Change Management" has POC

I am just now starting my classes in Module 1. I know these Q&A sessions are recorded to review later, but am I able to also go back later and review past Module lessons? Thanks

Lori Schwartz

Perhaps I should know this already, but pertaining to the extra FREE membership, do both parties have to work together regarding the same topic and/or book? Or can they each have their own separate topic/book credit to use? My partner lives in another state, I thought we each got the software (included in membership) so we could use different computers at our individual locations/offices. Thank you.

Hello Coaches,

I hope all is well. Here are the three best book covers I selected from a contest on 99designs. Please help me with recommendations to pick the best one and, eventually, any suggestions for the designers to finalize my book cover. Please find the link to the covers below.

Thank you for all you do.

Dear Coaches, Thank you for your advice on my cover designs. I want to distinguish my book from the competition by targeting all people curious about the topic – not just “spiritual” individuals. Most covers in this category are grey (prominent color) and mystical. Ps I have been art director for large beauty brands and financial service companies for many years – and believe that blue and yellow/gold convey positive messaging. Thanks! Judy

Hello, coaches. I am in the negatives with my snaps on puppy and Amazon won't post my reviews. I paid my subscription and everything. Did anyone else have this problem? Pubby support is not working. What do I do?

I cant figure out how to make a book cover that will work for the KDP paperback cover requirement. I created a image cover, but after uploading it zooms into the middle so you can't see any of the text. I dont see a way to move or center it. its basically stuck and so am I!
