I have researched and created a book title for my topic "Travel Hacks" which met POC. I appreciate feedback on the title before I move forward with creating my 30,000 word manuscript. Here's the title: "Essential Travel Hacks: Budget-Friendly, Stress-Free, Dream Vacations for Europe's Top 10 Most Popular Cities. 5-Star Itineraries for every type of traveler. (We did the research, so you don't have to!)"

I just uploaded my 1st ebook and now going to upload paperbacked book. My question is this when i had the person make the cover for the paperback book i told him it would be 120 page long. But after uploading the ebook the thing said it would be 153 pages for the print version my question can I still use the dimensions he gave me for the 120 paperback book or do I have to ask him to do it over for a 153 page paperback book?
