# OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

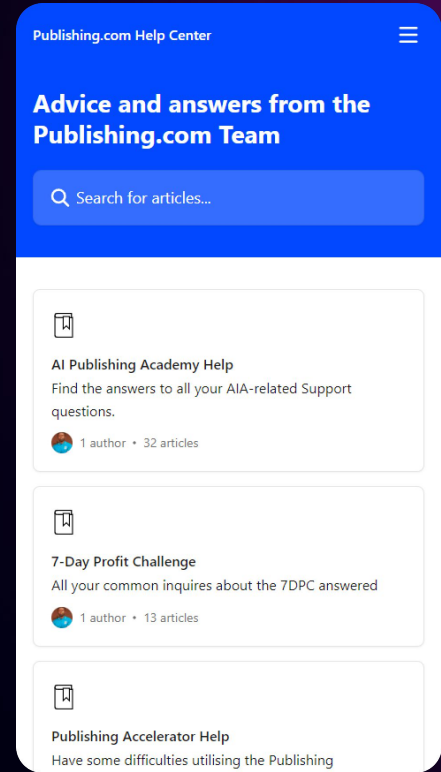

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Visit our Help Center at [help.publishing.com](https://help.publishing.com)

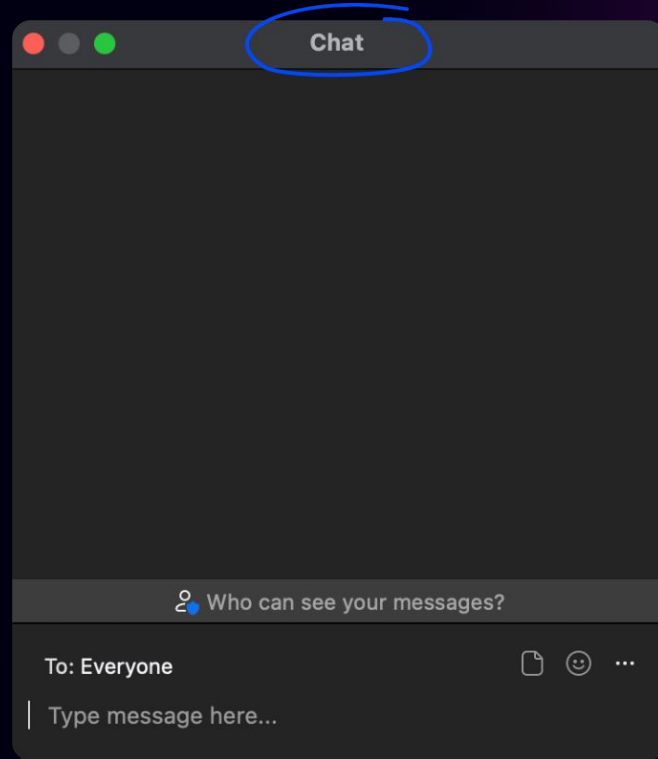

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

I had a professional video done for my book by someone on Fiverr. In the lesson it says the person doing the video will post it on Amazon but he said he does not do that (he has been a freelancer on Amazon for a while). Is there another way to get this video posted? Should I ask someone to post it for me? Or will it cause problems for someone I know to do that? This isn't the same as someone leaving a review, is it? Also, Author Central no longer allows videos.

I would like a publisher to review the content of my book. It consists of 160 pages with a font size of 18. The topic is Intermittent Fasting for Women Over 50. I have shared it with family and friends, but I haven't received much feedback from them.

When should I copyright my book? Should it be after it's completely ready for publishing?

Is there a specific length and width for an ebook, paperback, and hardback for a nonfiction adult book of 160 pages in standard MS Word size with 18 pt font?

I have the book content, the cover, the copyright page, the table of contents, the reference page, and the review page. I'd like to know if I'm forgetting anything important. Thank you so much!

What criteria should I use to determine whether or not to initially publish internationally?

Hi Coaches! I just published my book on Amazon! Thank you for answering all of my questions along the way....it's GREATLY appreciated!!!!

I ran a Facebook Ad campaign to get reviewers. I ran it for 5 days and got approximately 26 folks who are willing to review. I've sent them an ARC and I'm in the process of updating my book to include the QR Code and Review Links for the Paperback and eBook prior to running the free campaign on Amazon.

My question is....the course material states that the next step is to send a note to everyone stating that my book is now published and you can buy the book for free but they need to buy the book first and then provide the link to the book.

In the same message state that once you have purchased the book to leave a review at this link.

How to you prevent people from merely leaving a just a review and not going through the step of purchasing a copy first?

Thanks - Jeff

I set up my KDP account last week (with an email I used with them years ago), now when I try to publish my 7DC book on KDP, I get the following message:

"Account locked temporarily -

We have detected unusual activity on your account and have locked it temporarily. Please contact customer service for further assistance."

I Googled how to contact customer service and it requires me to log in to KDP, which I cannot do. It sends a code to my email, and when I enter the code, I get the message above.

What do I do?

I can only be on the Wednesday call for the first half hour, sorry, but I'll catch the replay.

Thank you for any advice!

Hello coaches, I am in the middle of my first-ever 99d design contest. I have to choose the best 6 designs to proceed with. Can you help me review them? I would appreciate your help; figuring out great designs isn't one of my strengths.

What up, coaches? Are there other marketing strategies I'm supposed to use other than amazon ads? Yes, or no? If so, what are those marketing strategies?
