TOPIC RULES 😊

- Each student is allowed to submit **one topic** for proof of concept (POC) testing by coaches.
- If a student submits more than one topic, the one most **"specific"** topic submitted will be considered for POC testing.
- This approach ensures that more students have the opportunity to receive feedback on their topics
- As coaches, our goal is to develop your skills, enhancing your **comfort and confidence** in navigating the proof of concept process.

Lucrece Louinis

Hello coaches. I am new and I want to confirm that I do have POC for 2 book topics that seem to overlap:

Chair Exercises for Seniors and Chair Exercises for Seniors over 60.

I do believe I have the criteria for both but some of the books appear under both topics. Please help me get a clear picture. Thank you very much.

Anena Goretti

Hi Coaches, Thank you for your help always. Please, help to see if Things To Do in Retirement
Pass POC

Sade Taiwo

Dear Coaches, kindly advise me on what to do.....

I started this program 3 weeks ago and since then I have tried to find a book topic that fit the POC criteria and I haven't found one. I'm wondering if there's something I'm doing wrong. My main interest is Self Help, and I initially focused there, then I decided to look under the other categories. I've used ChatGPT, it gave me a list of ideas that didn't pass POC. I've used the "For Dummies" series and Publishing.AI to generate ideas but no outcome so far.

My questions: How far above 150 reviews can we go? and what if a book makes only \$450 and not \$500? Also, what if the publication date is 50 days ago, and not 60? i have also come across books that don't have the same keywords in their titles but in their subtitles

Thank you

Martha DeLaine

What damage have I caused, if after I get PoC, I forget to take a screenshot of the KDdSpy report?

Lonna Johnson

Working on topic research. Earlier it was mentioned that you have several choices of topics-should I be doing research for different topics and then narrowing down to niche from those and then click one? Or just concentrate on one topic to narrow down from my research?

Lonna Johnson

I have installed both Kdspey and Amazon DS. I don't see icons at the top. Are they supposed to show? I have went into Amazon to research topics and I see info from Quickview. How do I find icons at top as you showed?
