OPEN Q&A

Submit your questions live on the call in the Zoom Q&A field. We will pick and choose the best the questions to answer.

There are many students on this call, all at different points in their publishing journey. We receive many questions and do our best to choose the ones that are applicable and helpful to the majority of attendees on this call.

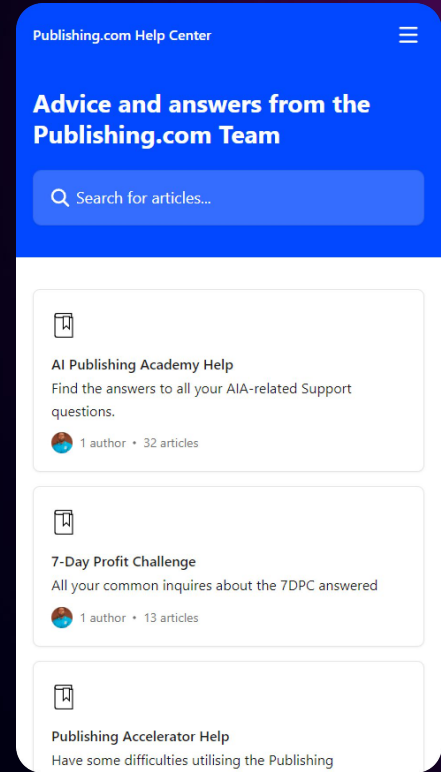

We would rather spend more time going deep into a good question rather than rushing from one question to the next. Therefore, we will pick and choose the best questions.

Visit our Help Center at help.publishing.com

- Account related (resetting password, Facebook group, etc.)
- KDSpy, incognito, Chrome etc.
- 7 Day Profit Challenge
- Pen names

In the Help Center, you will find clear answers (with videos) to all of these questions, so we will likely skip all questions related to these topics.

I have completed writing my book. What AI can I use to edit and improve my sentence structure?

Jasmine Duchesneau

I'm struggling to choose between two covers I created using Ideogram and Canva. Even after posting on the Facebook group, I get as many likes on both! I would love some feedback from the coaches.

Working on editing my manuscript now. It makes sense to me that I wouldn't work on the cover until editing is complete, because I need to know exact number of pages, etc. Is that correct?

Patrick

Hi Coaches,

Please Just trying to find out if it is permitted to use the photos of celebrities to share their stories related to your book to encourage your readers.

Again, is it ok to put your email and phone contacts into your book for your readers to contact you maybe for bulk purchase if you have ordered copies at home.

Thanks

David Ahn

I am not able to finish my customer research. I keep getting a "hiccup message and try again later". I have used the help chat, emailed screen shots, and followed all the suggested ideas and even tried research on a different device? I am stuck, what do i do next?

Susan

I'm a long time art director, copywriter and graphic designer with an extensive ad agency background.

Could you tell me, has ai advanced so much that book design services aren't really needed?

I'd still like to be of service at no charge.

Do designers and authors partner up here and help each other?

Do you teach authors how to advertise their books?

I can help with that too.

Sorry if this seems like a pitch, I sincerely don't mean it in that way.

I'd be grateful for any advice or a point in the right direction. 🙏💕

If you are selling on KDP (I currently have a digital and print book for sale there), can you also use Tik Tok Shop? I recall something about an option that limits you to only selling on Amazon and not other platforms, but gives you better benefits with Amazon. Is this correct? Are there other potential conflicts here?

Kristen Santos

Hi- i have very little time to get my book published and get 50 reviews in order to qualify for the bonus (life happened). Can you tell me about the reviews- my book is almost ready to go and I'd like to have it reviewed by the community I'm serving. Can I sell my book for 99 cents to incentive my community to buy and read it? Also, do they need to add comments to their reviews (I notice many people don't, they just click how many stars) in order to qualify? thanks so much. any other help with getting reviews would be great. I would have leveraged this community but the timeline is too tight.

I have to pick a winner for the 99design contest. I hope you can give me tweaks to make one of these covers work. Thank you so much for your help. Here is the link to google docs
